Preparation

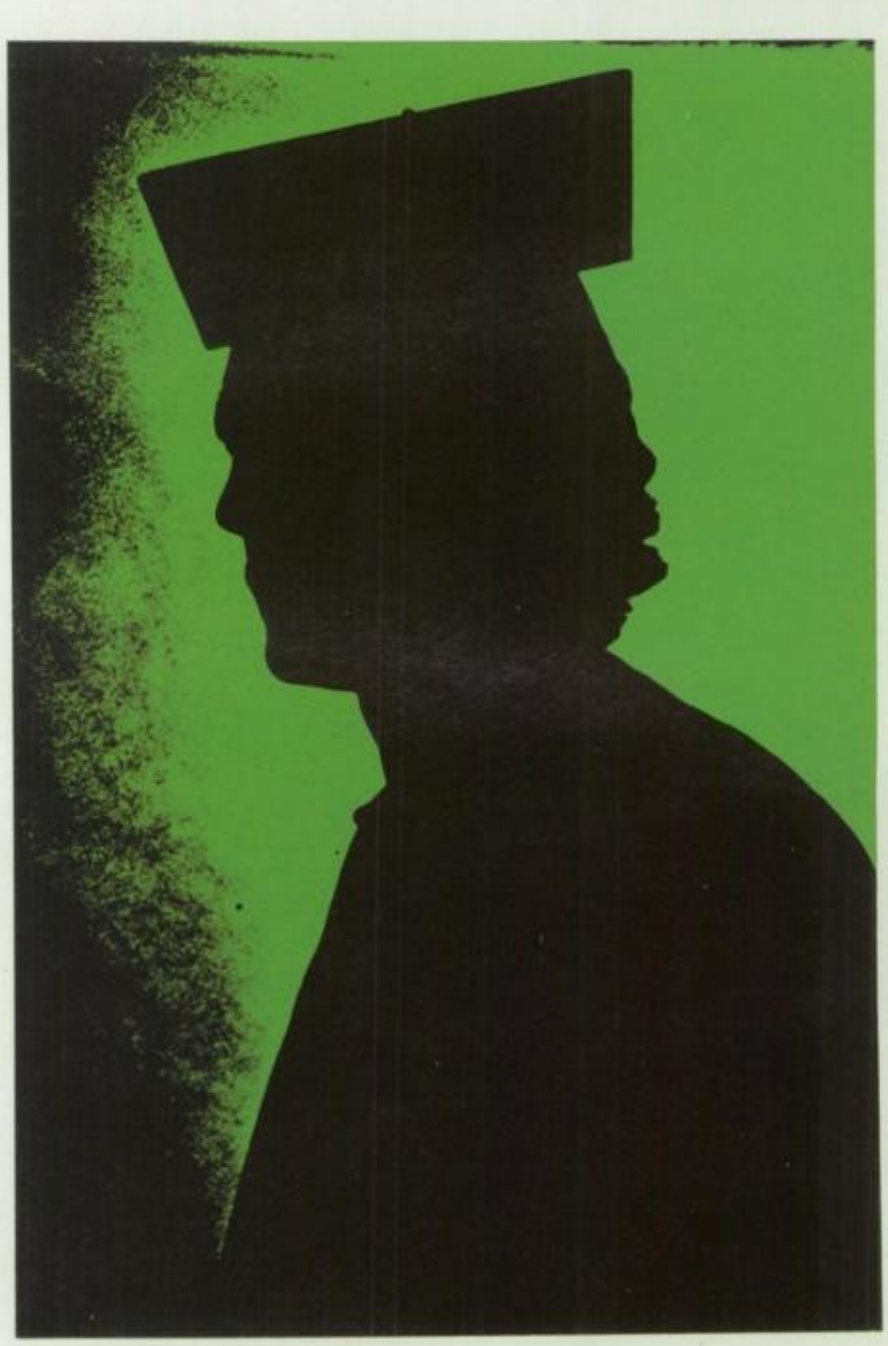
We go through life anticipating the realization of our goals; but nothing has ever been accomplished without preparation. Skill must be acquired before it can be put to use. In striving towards a goal, many attributes are developed in addition to the skills directly related to the goal. For example, in sports, qualities such as patience, perseverence, sportsmanship, and cooperation are developed in addition to the direct skills such as hitting a tennis ball or throwing a football. The development of these skills requires an abundance of hard work and determination. It is this preparation which brings about the ultimate achievement of our goals.

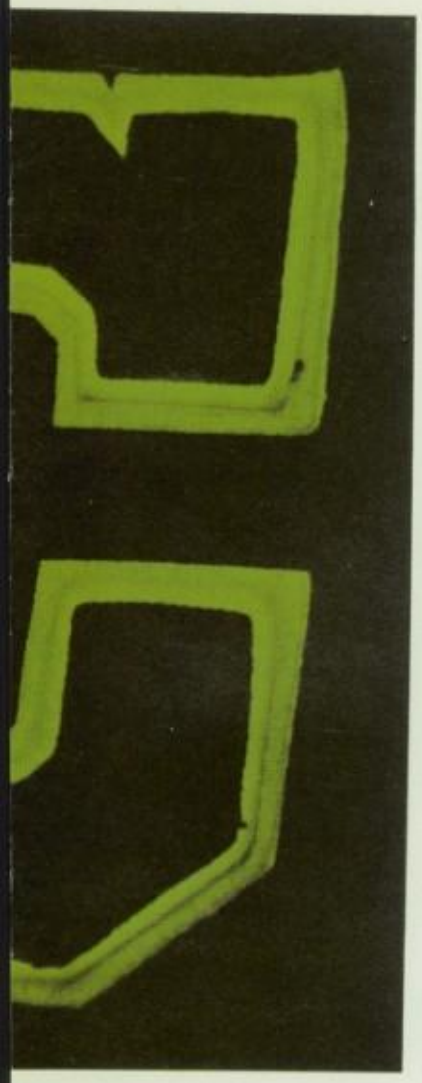
. . . for to travel hopefully is a better thing than to arrive, and the true success is to labor.

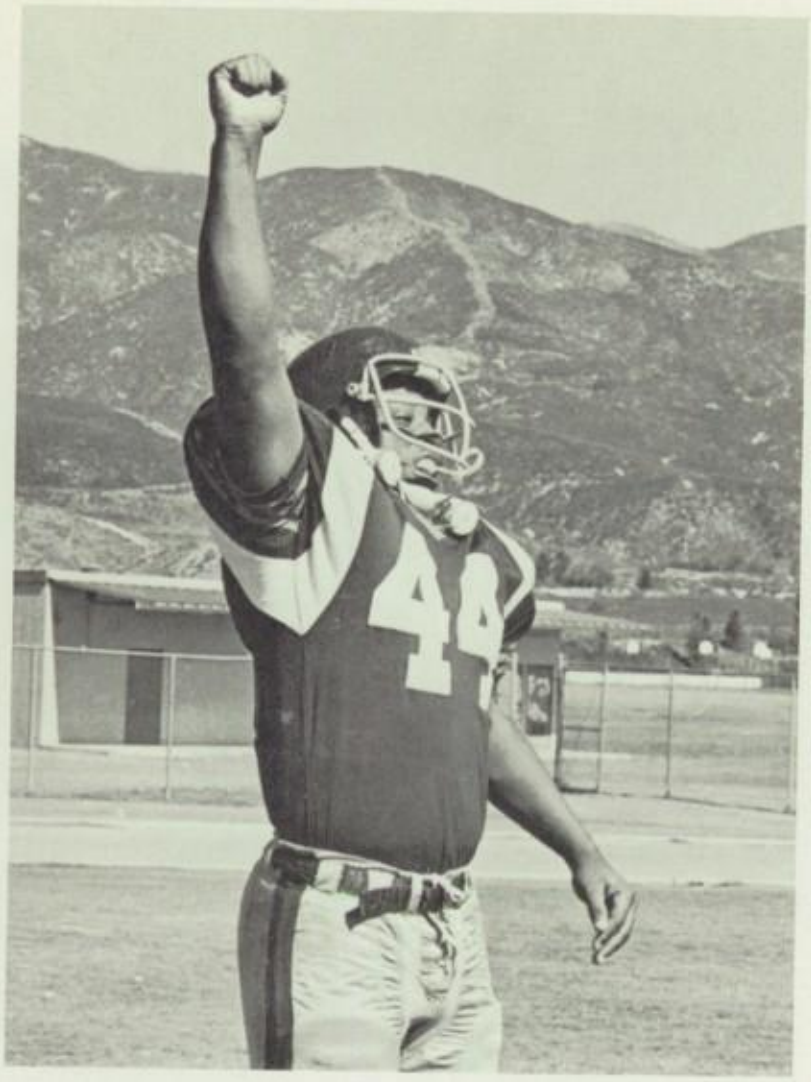
from "Eldorado"
by Robert Louis Stevenson

Realization

One of life's greatest joys is the realization of our goals. When the hard work is finished, the skills have been acquired and the preparation is finally complete, the objective will be accomplished. To know that all the work was worth something and was not just a waste of time is satisfying in itself. The knowledge in our own mind that we didn't give up and didn't quit but saw it through to the end makes up for the inconveniences suffered while striving towards the goal. With the realization of these immediate goals, we open the door for future accomplishments.







. . . A man's reach should
exceed his grasp,
or what's a heaven for?

from "Andrea del Sarta"
by Robert Browning

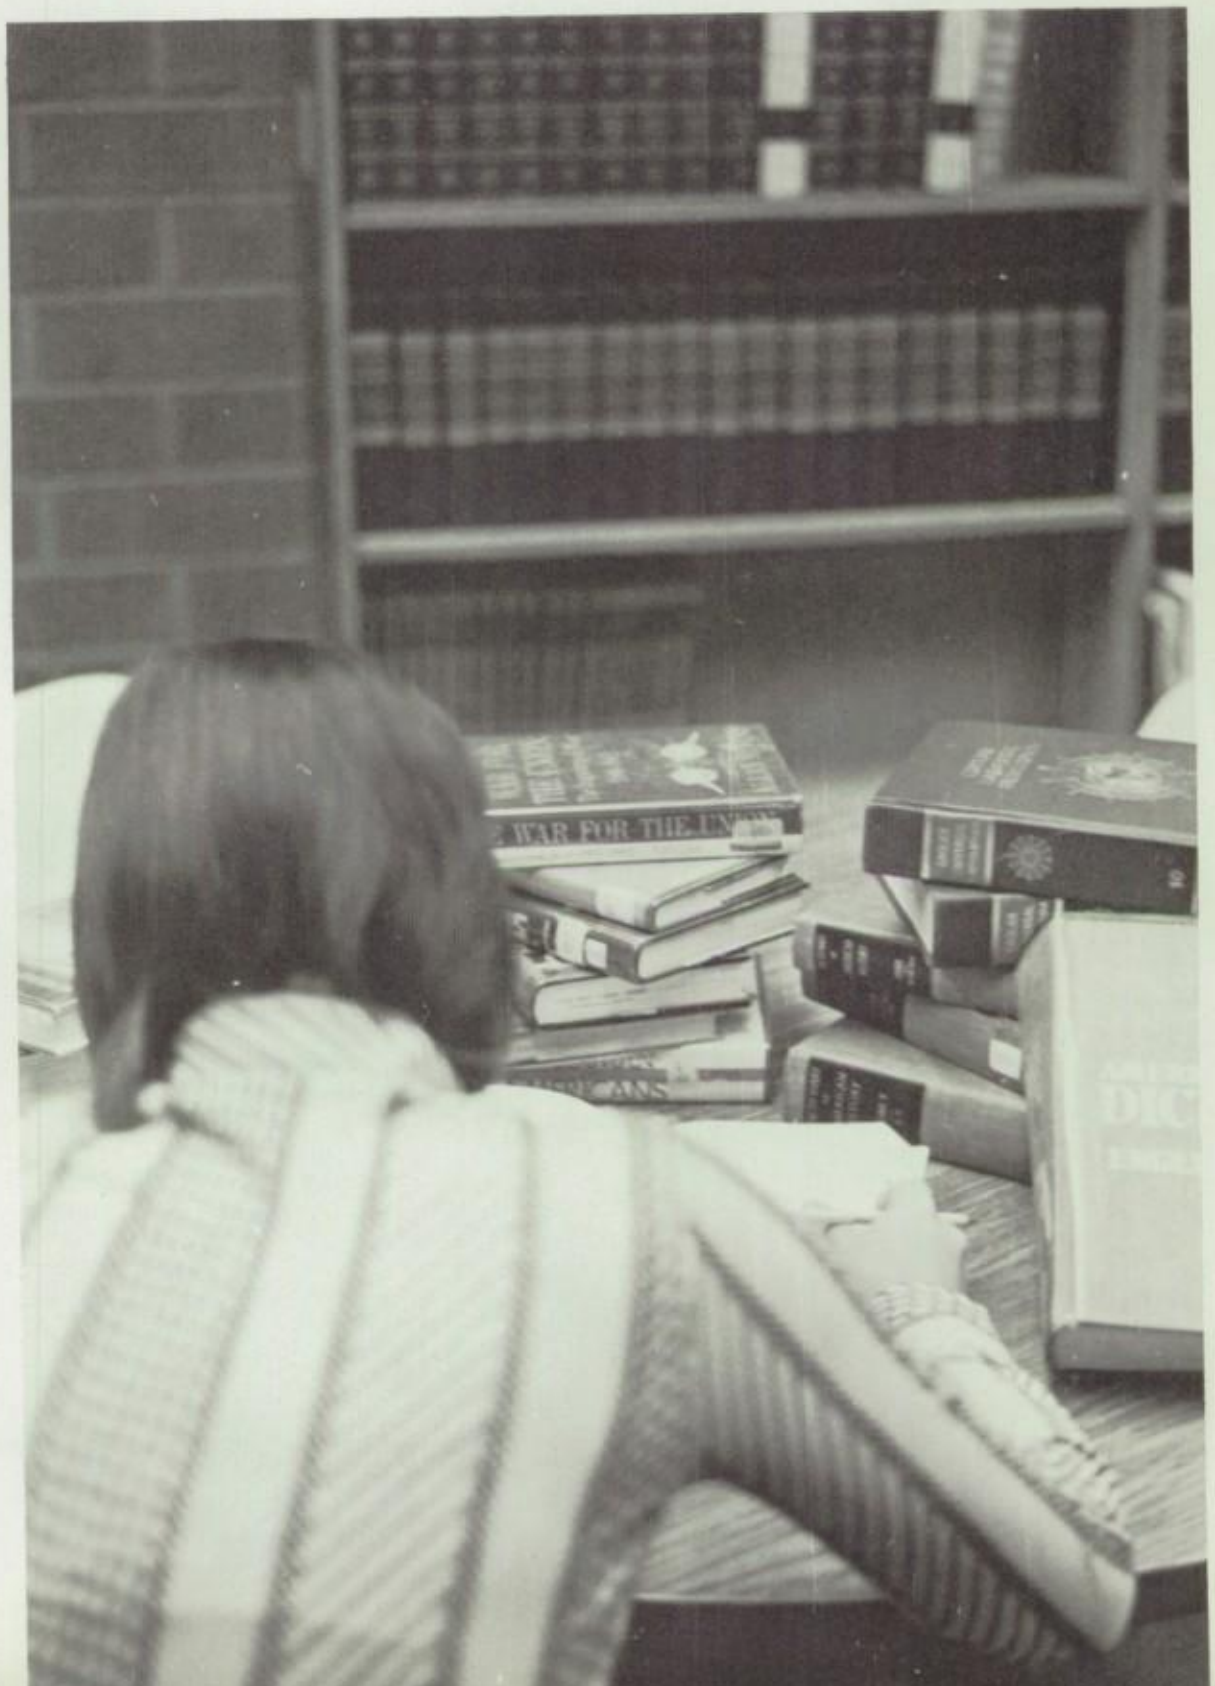
I am a part of all
that I have met,

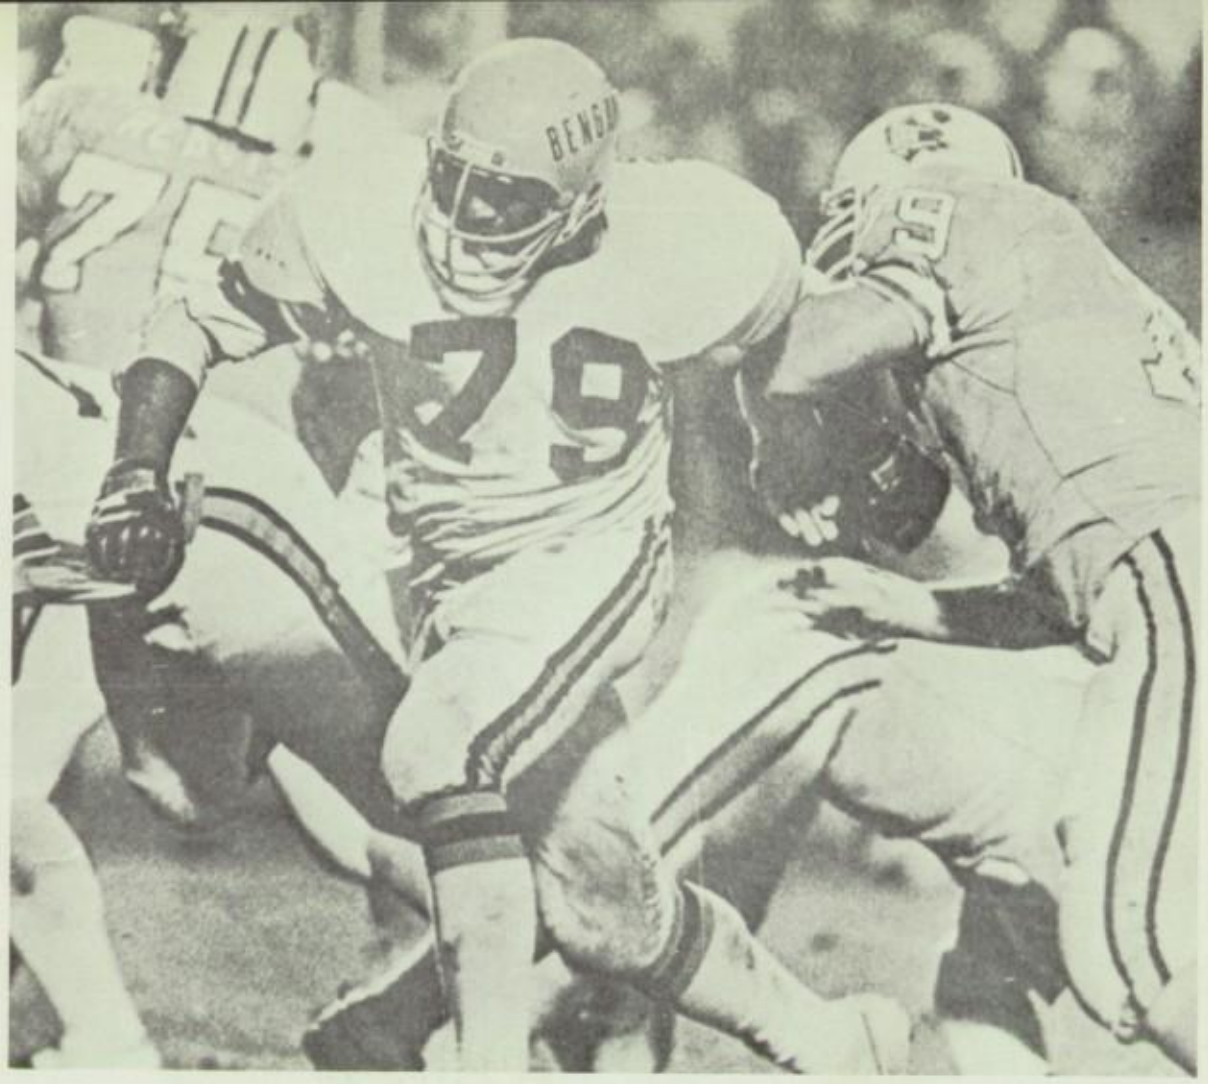
Yet all experience is
an arch where
through

Gleams that
untraveled world
whose margin
fades

Forever and forever
when I move.

from "Ulyssess"
by Alfred, Lord Tennyson

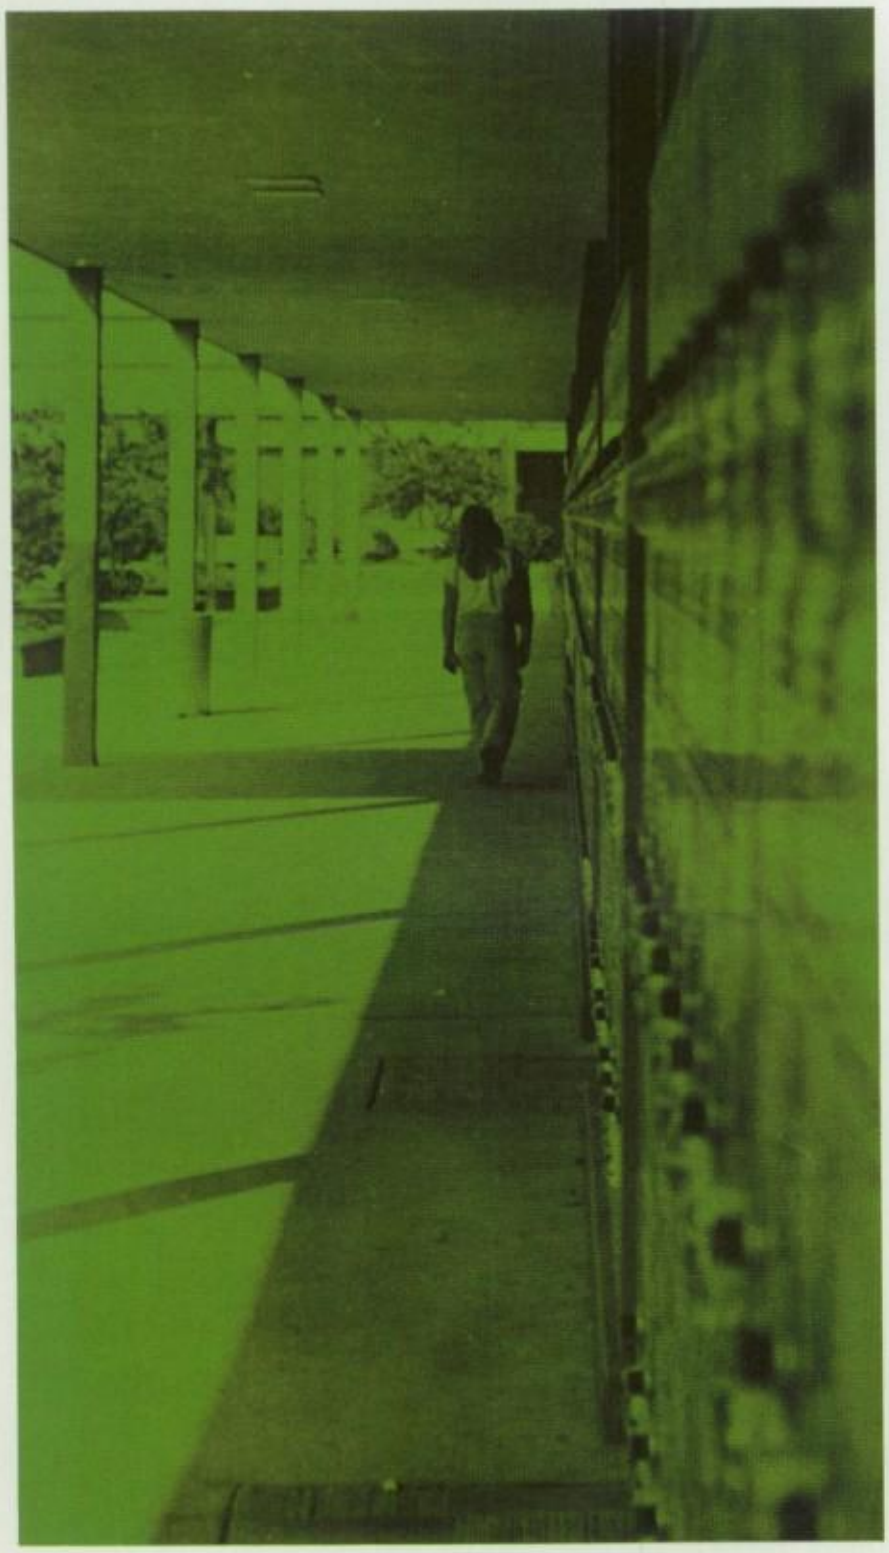




Anticipation

The goals we set for ourselves in high school are not the first nor will they be the last. They are merely pathways leading to new and greater achievements. The things learned while attaining these goals are not just put aside after high school, but are used throughout life. The experiences in high school are the basis for our achievements throughout the rest of our lives. It is the anticipation of what is to come that keeps us moving through life, always striving for something better, never giving up, and continually seeking new goals upon the achievement of old ones.

SENIORS



The searching nature of man

forces us to seek ever-higher

goals than the ones which we fulfill

SENIORS!!...The graduating class of 1979. The last year of high school is now complete, and another group of young men and women prepare to enter the world on their own. What have these students accomplished during their thirteen years in school? What remains to be achieved? The answers to these questions are as varied as the colors in a patchwork quilt. Some have excelled in their schoolwork, others in sports, and others in vocational areas; while many have achieved in a combination of these. The paths of the departing students will diverge in countless directions. Some will perhaps be similar, but no two can be exactly alike. Each individual who graduates from Cajon will reach for his own goals and leave his or her own distinctive mark on the world.

CENTER PHOTO: The ambitions of the senior class officers reflect the wide range of opportunities that await the class of '79 as they graduate. Leading the Super Spirited Seniors in their final year were President Laura Barlow, engineer; Secretary Kathy Cataldo, secretary; Vice-President Jasmin Tacal, oceanographer; and Treasurer Cheryl Byrne, Business executive.

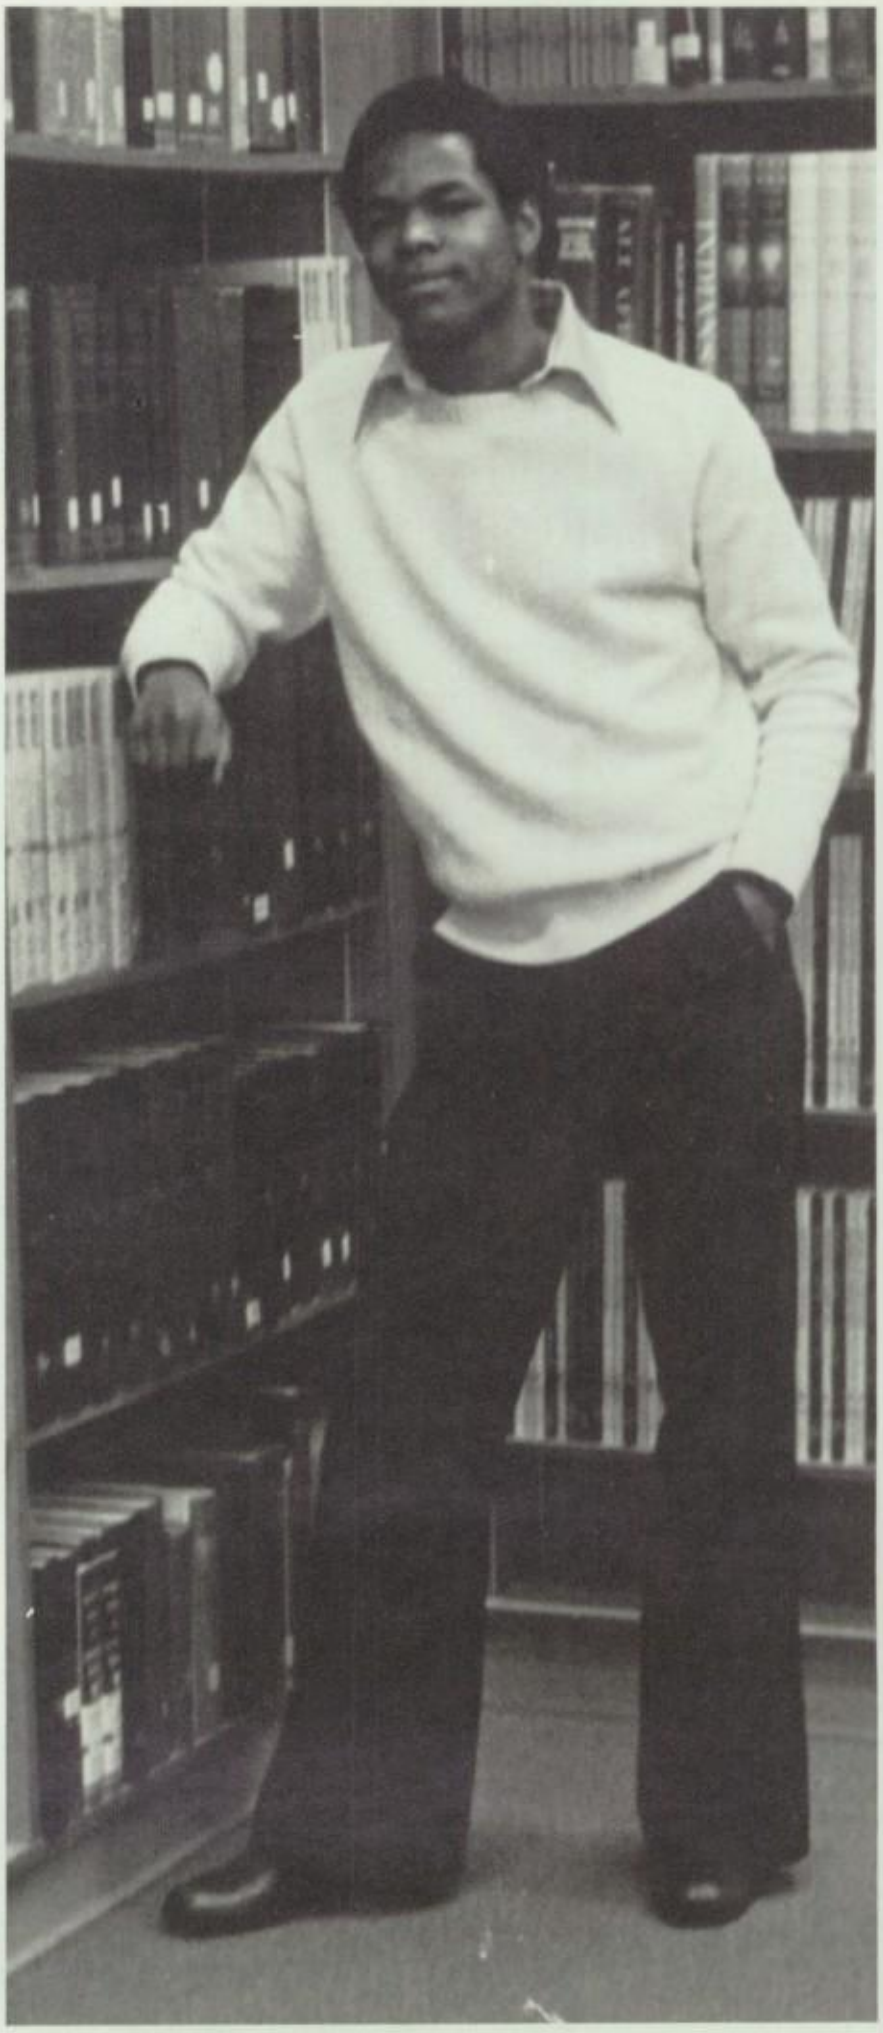
AWARDS AND HONORS

Awards and honors are both a recognition of achievements and a stepping stone to future goals.

Awards and honors are both a culmination of present goals and a stepping stone to future goals. Many Cajon students received awards this year. These awards represent a great honor to all recipients and an achievement of a goal. The awards earned in the sophomore and junior year are often instrumental in determining the awards earned in the senior year. These are also a determining factor in whether or not a student is accepted at a particular college. Many of the awards in the senior year are in the form of scholarships. This money is of prime importance in determining where a student attends college and how he spends his time while there. These scholarships put students one step closer to their college goals.

Boyce, Moses Enter Cowboy Hall Of Fame

The Cowboy Hall of Fame Award has been presented by the Cajon *Vaquero* to an outstanding boy and girl for the past four years. To qualify, the students must excell in scholarship, leadership, and in service to the school. Candidates are first nominated by the faculty, and then the winners are decided by a student election.



LEFT: This year's Cowgirl of the Year was Jeanne Boyce. She was a member of CSF, Sobobans, NHS, and Student Council. As the Commissioner of Activities, Jeanne had the responsibility of running both football and basketball homecomings and organizing all of the dances. Jeanne's favorite comedian is Steve Martin, she likes all types of food, and she loves "just being with friends and having fun." ABOVE: This year's Cowboy of the Year was Tyrone Moses. Tyrone was a member of NHS, BSU, was president of CSF, and was actively involved in the Activities Committee and the Publicity Committee of Student Council. Tyrone's favorite foods are shrimp, pistachio ice cream, and french fries. His favorite singing group is "Parliament", and he enjoys listening to contemporary music in his spare time.

Five Cajon Students Receive Elks Awards

The Elks Foundation Scholarship is given to students who demonstrate leadership and scholarship in grades nine through twelve and who show a financial need. Students were selected to participate in the competition by the Cajon counselors, and the candidates prepared folders which included a list of their honors and awards, their educational plans, and letters of recommendation. This year Tyrone Moses placed first in the local competition and Byron Bond placed second. In the girls' local competition, Mellyn Heavilin took first place, Mary Gilliland placed second, and Donna Larrabee placed fifth.

TOP: The winners of the Elks Foundation Scholarship are Byron Bond, Mary Gilliland, Mellyn Heavilin, Donna Larrabee, and Tyrone Moses. LEFT and ABOVE: Cajon winners separate back into sexist roles.

Bruce Krueper Wins Prestigious NCTE

Again this year, Cajon had a winner of the National Council of Teachers of English Award. The competition is based on samples of students' writing, and Bruce Krueper was a winner. Each winners' name is placed in the Honor Roll Bluebook which is sent to major colleges and universities recommending the winners for scholarships and admission.

Cajon Sends Her Top Four To B of A Competition

The Bank of America award is a recognition for achievement in specific fields. Cajon was represented by Pam Henck in the field of vocational arts; Donna Larrabee, fine arts; Byron Bond, liberal arts; Bruce Krueper, math/science.

National merit finalists

National Merit Honors Five Cajon Students

This year, Cajon had three National Merit Finalists and two Commended Students. These awards are based, for the most part, on the students' PSAT scores. From these scores, students can reach either a semi-finalist or commended standing. At this point, the semi-finalists send in an additional application for judging. Applications and the candidates' SAT scores determine if they advance to finalist standing. Lori Rowe and Byron Bond were commended; and Pam Henck, Mellyn Heavilin, and Bruce Krueper were finalists. The National Merit Finalists are among the top one percent of all students across the nation.

OPPOSITE PAGE: National Merit Finalists were Pam Henck, Mellyn Heavilin, and Bruce Krueper. THIS PAGE: (Top Left) Students receiving letters of commendation were Lori Rowe and Byron Bond. (Bottom) Students from Cajon that were honored by National Merit.

Cajon's Tachikawa Winner Announced

Each year four students from San Bernardino are selected to be ambassadors to Tachikawa, Japan. The selection of the students is based on a series of interviews; the judges are active citizens of San Bernardino and the Tachikawa Committee. This year, Erika Peters was named as Cajon's winner. She will spend one month in Tachikawa participating in Japan's society.

Students Attend Statewide Seminars

The Hugh O'Brian Youth Foundation Award is given to outstanding sophomores throughout the nation. O'Brian founded the award to give students a chance to learn about the business world in which they live. The students attend a convention, and the time is spent listening to various large corporation leaders such as executives from General Telephone. John Larrabee represented Cajon at this year's convention, which was held for one weekend in Los Angeles.

Girls' State and Boys' State are essentially citizenship programs sponsored by local American Legion Auxiliary and American Legion Posts. Both the girls and the boys learn how our present system of government functions by learning to run a city, county, and state. Delegates can run for offices, enact city and county ordinances, prepare party platforms, and pass legislation in a mythical 51st "state." Last spring, Susan Workman and Byron Bond were selected for Girl's State and Boy's State, respectively. Both conventions were held for one week at the California State University in Sacramento.

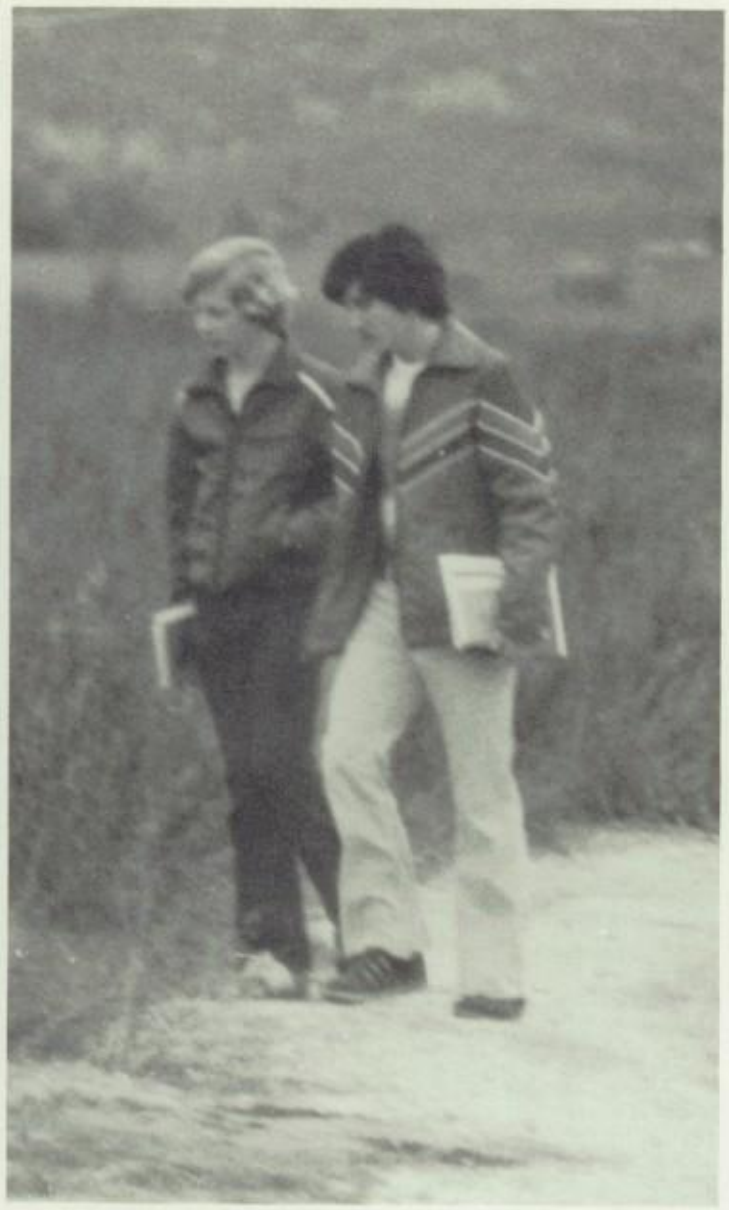
STUDENT LIFE

The goals of the future are initiated by the attainment of present goals and objectives.

The life of a high school student is varied and exciting. It is composed of much more than just classes. His transportation, class schedule, lunch habits, extracurricular activities, and social life all have an effect on what he does and what he will become. His activities in school often have a direct or indirect bearing on his activities outside of school. His school friends are also a determining factor in how a student spends his recreational time. These activities, in turn, affect what he will do in later life. As a student progresses through his high school career, many goals are set, reached, and set again in a continuing reach for excellence. These experiences and goals provide a firm foundation on which to base future decisions and actions.

By Different Means We Come to School

After trying to convince himself the alarm is just an audible illusion, the weary, would-be student pulls himself out of bed and slowly begins the ritualistic process of preparing for the upcoming day. This process is repeated many times in the early morning, and a unified trek toward school then begins. Coming by car, bike, bus, or on foot, through many different routes, the students reach their destination—SCHOOL!



SCHOOL BUS

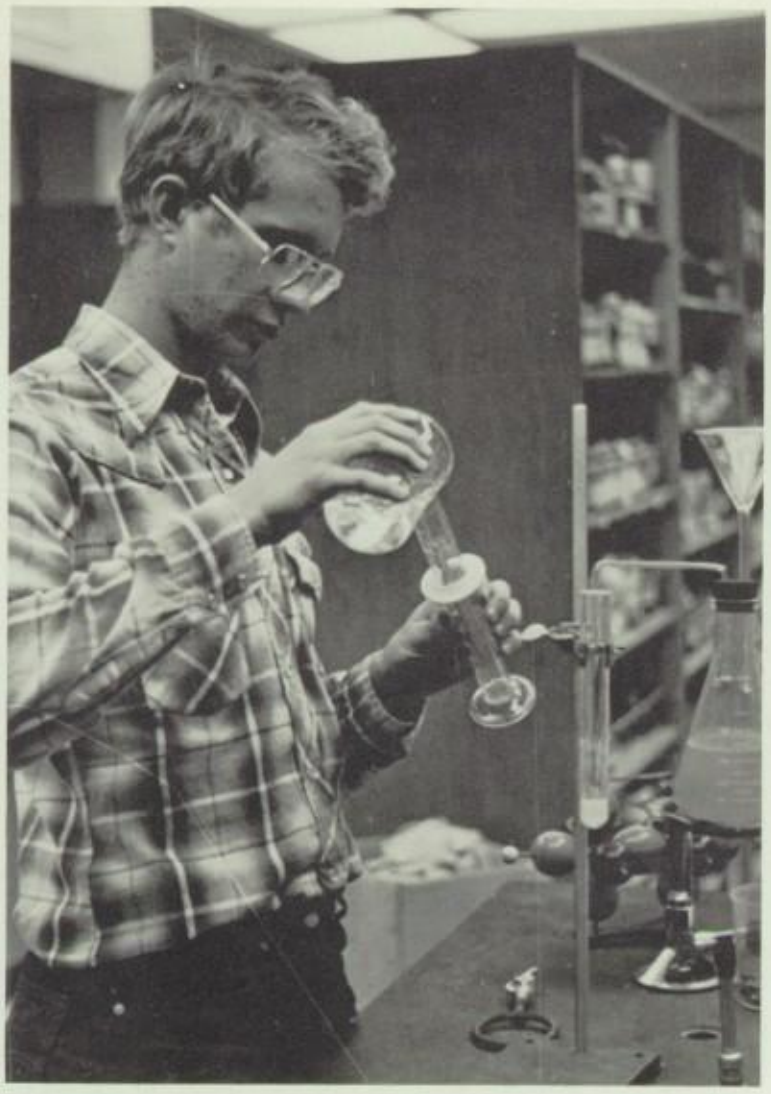
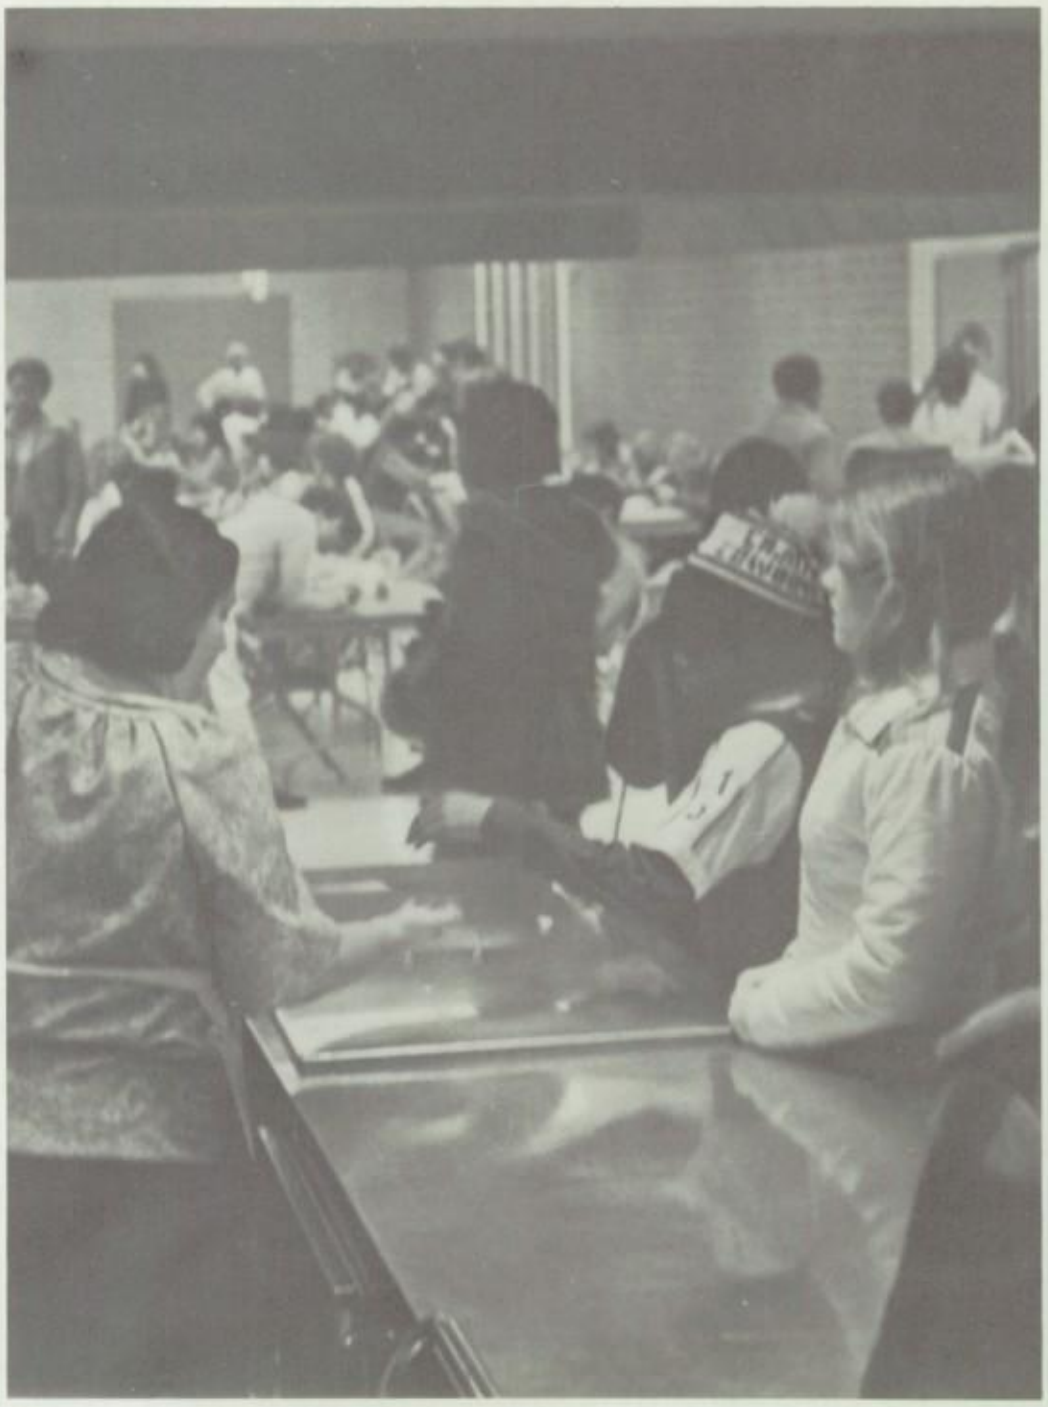
Our Self Discovery Occurs in Learning

As the morning bell rings, the student makes his way to one of a myriad of classes offered at Cajon. These classes run the gamut from Auto Shop to Physics, Ceramics to the Humanities. The student, aided by his counselor, generally follows a specific curriculum designed to meet his individual needs, both academically and vocationally. The instructors at Cajon are also worthy of note as they excel in their duties to educate and enlighten.



Lunchtime Helps Us Relax for a While

After a morning of education and its inherent hard work, the student is more than ready to eat. Taking a 40 minute (or longer!) lunch break, the student satisfies his appetite by eating on campus, or off. A variety of foods are offered on campus, including hot lunches, a fast food line, and possibly an invitation to the faculty restaurant, The Gold Room. The student may prefer the fast food off campus, like McDonald's, Del Taco, Rosa Maria's, or Caterina's. Of course, there is the traditional brown bag.



After School Work Occupies Our Time

After what seems like an eternity, the 2:05 bell finally rings! During the afternoon and evening hours the student has many roles to fill. Hours are spent after school training for school-related sports and other programs. More hours are taken up by jobs and community services. Every student also has his chores at home.

Time For Relaxation is the Best of All

Although it seems a student will never finish his work, there always is time for recreation. This leisure time, usually at night, can be spent doing many things. There are parties, movies, miniature golf, cruisin', and more. Of course, the student may spend this time watching T.V. or catching Z's.

ACTIVITIES

The memories and experiences obtained through activities help greatly in the reach for goals.

The many exciting and varied activities held at Cajon are a great way for students to unwind and find out more about one another. While some activities, such as pep assemblies, have a purpose in cheering our teams to victory, many of the dances are just for the enjoyment of the students. The thrill of being crowned Homecoming Queen is a memory that will last a lifetime. All of the activities are completely planned and carried out by students. In assuming the responsibilities of the total production of an activity, the student is also taking on the responsibility of the success or failure of that activity. This presents a valuable learning experience useful many times in later life. All of these activities culminate in one final ceremony-graduation.

1978-79 Pep Assemblies Show Spirit and Variety

Under the direction of Kelly Rothnie, Commisioner of Pep and Assemblies, this years Pep Assemblies were exciting and very entertaining.

Last year the Class of '79 excelled in vying for the Spirit Stick; this year they upheld that tradition by winning the Spirit Balls at a majority of the many Pep Assemblies.

For the first time in C.H.S. history, the "Pacific Pirate" got a pie in the face, Rochelle Gerber undressed for Pete Thomas, and three flashers in trench coats encouraged us to buy A.S.B. cards.

With entertainment by C.C.L., the various Bands, LuCinda and Crystal Giannotti, Starchild, and routines by the Poms and Flags, this year's pep assemblies did much to promote pride and spirit in the entire Associated Student Body.

Our spirit is sky high

From azure hills to shimm'ring sea
Our school stands true to all.

Cowboys we are proud to be
And of our Green and Gold.

Cajon, we'll all defend thee
And this is why we sing

The glory of our victories
The Cowboy way shall ring!

Dance fever hits Cajon

Disco Magic

Thanks to the exciting imagination of Jeanne Boyce, commissioner of activities, this year's dances were "smashing successes" with many Cajon Cowboys crowding the dance floor. Throughout the year Cajon Cowboys could be found out on the floor "dancin' to the beat" of many great bands and captivating "D.J.'s" with spectacular lightshows. This year's dances at Cajon included the stimulating "Back to School Dance," the spectacular "Football Homecoming Dance," the enchanting "Christmas Dance," the dreamy "Sweetheart (Basketball Homecoming) Dance," and the captivating last dance of the year, "The Luau." Dozens of volunteers planned, decorated, and worked hard to make each and every one of Cajon's dances a great experience.

Basketball Homecoming

This year's Basketball Homecoming, "A Ride On A Rainbow," turned out to be a smashing success. The game was a victorious 71-68 win for the Cowboy basketball team, while after the game many Cowboys and their dates could be found on the cafeteria floor "dancin' to the beat." It became a memorable night for the 1979 Basketball Homecoming Queen Maria Walker and her court Mary Spears, first princess; Joyce Bennett, second princess; and Mary Gilliland, third princess. With the help of Liane Pestrella and the many members of Student Council, Jeanne Boyce, commissioner of activities, turned lots of cardboard, paint, crepe paper, glitter, and an enormous amount of glue into some of the best decorations ever seen at Cajon.

1979 Prom Has Many "Moments of Elegance"

Many young exciting couples left San Bernardino on the evening of May 25, 1979 to find many "Moments of Elegance" in the beautiful Viennese Room of the Huntington Sheraton Hotel in Pasadena. Shiny gold-tinted mirrors held captivating reflections of the many metamorphized couples who danced throughout the night. Glistening crystal chandaliers filled the elegant room, while the beautiful patio and garden areas were filled with many precious, tender, romantic moments.

The End and

The Beginning

Graduation

It's time to move on.
We look back,
Remember.
We look forward,
It's so cloudy,
I cannot see.

This is my world, my life,
And they're making me leave!
Why can't I stay here
With my friends?
I'm so afraid.

So many possibilities.
I may be happy,
But there's no way to tell.
Nothing to hold on to,
No one to lean on.

Once I leave,
I can't ever come back.
To reach something new,
I must let go of what I have.
It can't ever be the same.

The present is gone.
Nothing lasts but memories.

ARTS AND MEDIA

Students involved in producing plays, musical productions, and school news, realize goals.

Arts and Media are the creative aspect of Cajon. The classes offer an opportunity for creative expression within the framework of necessary guidelines. Students also have an opportunity to perform the same functions as professionals in the performing arts and publications. These experiences serve as a sounding board to determine whether a student really wants to continue in that field. If he finds it is not what he wants, he can change his goals before becoming too involved in it. If he finds that he has, indeed, chosen the right field, he has gained valuable experiences which will help him reach his goals. Outside of this, there is the satisfaction of having benefited others, for performing arts are not just for the pleasure of the performer, but provide knowledge and entertainment for many others.

"'SPIRIT' was the name of the game."

The 1978-79 Cajon "Cowboy" Marching Band

This year the Cajon "Cowboy" Marching Band was a prime example of what a lot of hard work and all-around "SPIRIT" can do. With the never ending help of Band Director Robert Sperry, this year's Marching Band gained the most recognition and the highest marks of any previous "Cowboy" band. One of the many highlights of this year's marching season was the band's week-end trip to the University of California, Berkeley. Cajon was the only Southern California band participating in the performance. Cajon gained even more recognition, this past year, with the Drum Major Renée Lapham and the Majorettes Crystal Giannotti and LuCinda Giannotti, each receiving first-place trophies in the many parade competitions entered by Cajon. Each and every one of these goals were accomplished only because of the mighty "GOLDRUSH SPIRIT" found in the 1978-79 band officers, squad leaders, and the entire "Cowboy" Marching Band.

1978-79 "Wrangler" Drill Team

The 1978-79 "Wrangler" Drill Team proved to be another outstanding Drill Team. Under the instruction of their new Director, Miss Mary Broadhurst, this year's "Wrangler's" brought excitement and spirit to Cajon with placing second in the "6th Annual Lester Oaks Band Review." This year's Captain was Donna Kay Riggs. Co-Captains were Sherri Harris, Heather Levy, and Susan Passmore.

A Trio Of Bands

Although the Concert Band consists of many of the same members as does the Marching Band, it is an entirely different type of band. Concert Band is for those who appreciate the art of music. The Concert Band competes in music festivals for ratings of Superior, Excellent, Good, Fair, or Poor.

Basketball Pep Band is a group of the top instrumentalists at Cajon. This band performed at all home games, numerous pep rallies, and various elementary schools.

This year proved to be the best year ever for the Cajon High Stage Band. The band played at many pep assemblies and concerts throughout the year, performing a variety of music ranging from jazz to rock, classical to the blues.

Cajon Cowboys Limited Display Many Talents

This year's C.C.L. (Cajon Cowboys Limited) performed at many activities throughout the year. These activities included performing for the A.F.S. and Sister City Banquets, welcoming Santa Claus to the Central City Mall, singing at the National Orange Show, participating in the Choir's annual Christmas and Spring concerts, presenting many programs at convalescent homes, junior high schools, and many elementary schools, participation in music festivals, and their final performance at the city-wide Scholarship Banquet with the Cajon Stage Band. Officers for the year were Mary Gilliland, president; Laura Reber, vice president; Craig Huff, equipment manager; and Steven Estes, piano accompanist.

Choir Members Sing At Various Programs

Under the direction of their new advisor, Miss Martha Hempstead, this year's Concert Choir explored new heights in the art of music. Their many activities included their annual Christmas and Spring concerts, Christmas caroling at both the Central City and Inland Center Malls, a trip to a music festival, and their closing performance at Graduation. Choir officers for the 1978-79 school year were Virgina Rodriguez, president, and Laura Baxter, secretary. Senior Steven Estes played accompaniment on the piano. Each member of the thirty-member choir learned to appreciate music a little more before the year ended.

Madrigals Have Many Programs

This year found Cajon's Madrigals Christmas caroling at the Central City Mall, performing at the Choirs' Christmas and spring concerts, participating in a Madrigal Festival, and concluding the year with a final performance at Baccalaurate. Madrigal is a form of Fifteenth and Sixteenth century singing a cappela: that is, they perform with little or no musical accompaniment.

Drama Students Meet Their Goals

The 1978-79 Cajon Drama Department found much joy in meeting their various goals throughout the year. Even with the change of advisors at the semester, they were still able to produce some excellent plays. Miss Martha Hempstead graciously took the sponsorship of the Drama Department from Miss Mary Broadhurst at the beginning of the second semester. Senior John Nirschl showed his great directing abilities in directing the play "Enter Pharoah Nussbaum." Along with this play the Drama Department met the rest of their goals in producing many other fine plays. These plays included, "The Dancing Ghost" and "The Patient in 4B."

The Cowboy Courier Informs Students

Typewriters clicking, paste pots flowing, paper dripping from tables, someone bent over the Compugraphic Compuwriter correcting copy errors, the strip prints beeping out another lead, editors scrambling over paste ups— all of these activities caught in Room F-1 on Wednesdays signal another deadline for students who edit the Courier. Under the direction of Mrs. Pat Tubiola, Cajon High's Cowboy Courier comes out every other Friday, informing students of their "life and times" at Cajon. The paper is unusual in that all of the production steps other than printing take place on campus. Students even set their own type; paste up columns; set headlines; shoot, develop, print, and crop pohtos; and prepare each page for the offset process used by the printers. Editors-in-chief Erica Lithen and Melissa Love co-ordinate total production with the assistance of several editors listed on the next page. Journalism students spend hundreds of hours outside of regular class time in order to keep their fellow students informed.

Vaquero Staff Works Hard for Excellence

Working hundreds of hours above and beyond the call of duty, the 1979 VAQUERO staff struggled to produce the best annual possible. Under the direction of Editors-in-Chief Byron Bond and Donna Larrabee, planning for the book began in the spring of 1978. Richard Browning, Gail Dickerson, LuCinda Giannotti, Mellyn Heavilin, Pamela Henck, Scott Workman, and Susan Workman were returning staff members. Photographers were Byron Bond, Darl Badgerow, Mike Kirley, Richard Lindberg, and Joel Odenbach. Approximately 2,400 photos were taken, developed, and printed. Working along with the editors were Cynthia Knabenbauer and Kelly Perong in producing the Freshman section. The Sophomore class section was produced by Loree Childers, James Crum, Holly Harris, and Cheryl Lewis. Steven Horine worked on the Junior class division. Sharon Brockmann sold advertising and acted as business manager. Sally Ellis did her part in the Staff and Faculty Division. "The students took a great deal of pride in producing the best annual ever," said Mr. Wilbur Smith, advisor. "Most people do not realize the work and expertise it takes to produce a 256-page yearbook that, hopefully, will be an everlasting record for the students who attend Cajon High."

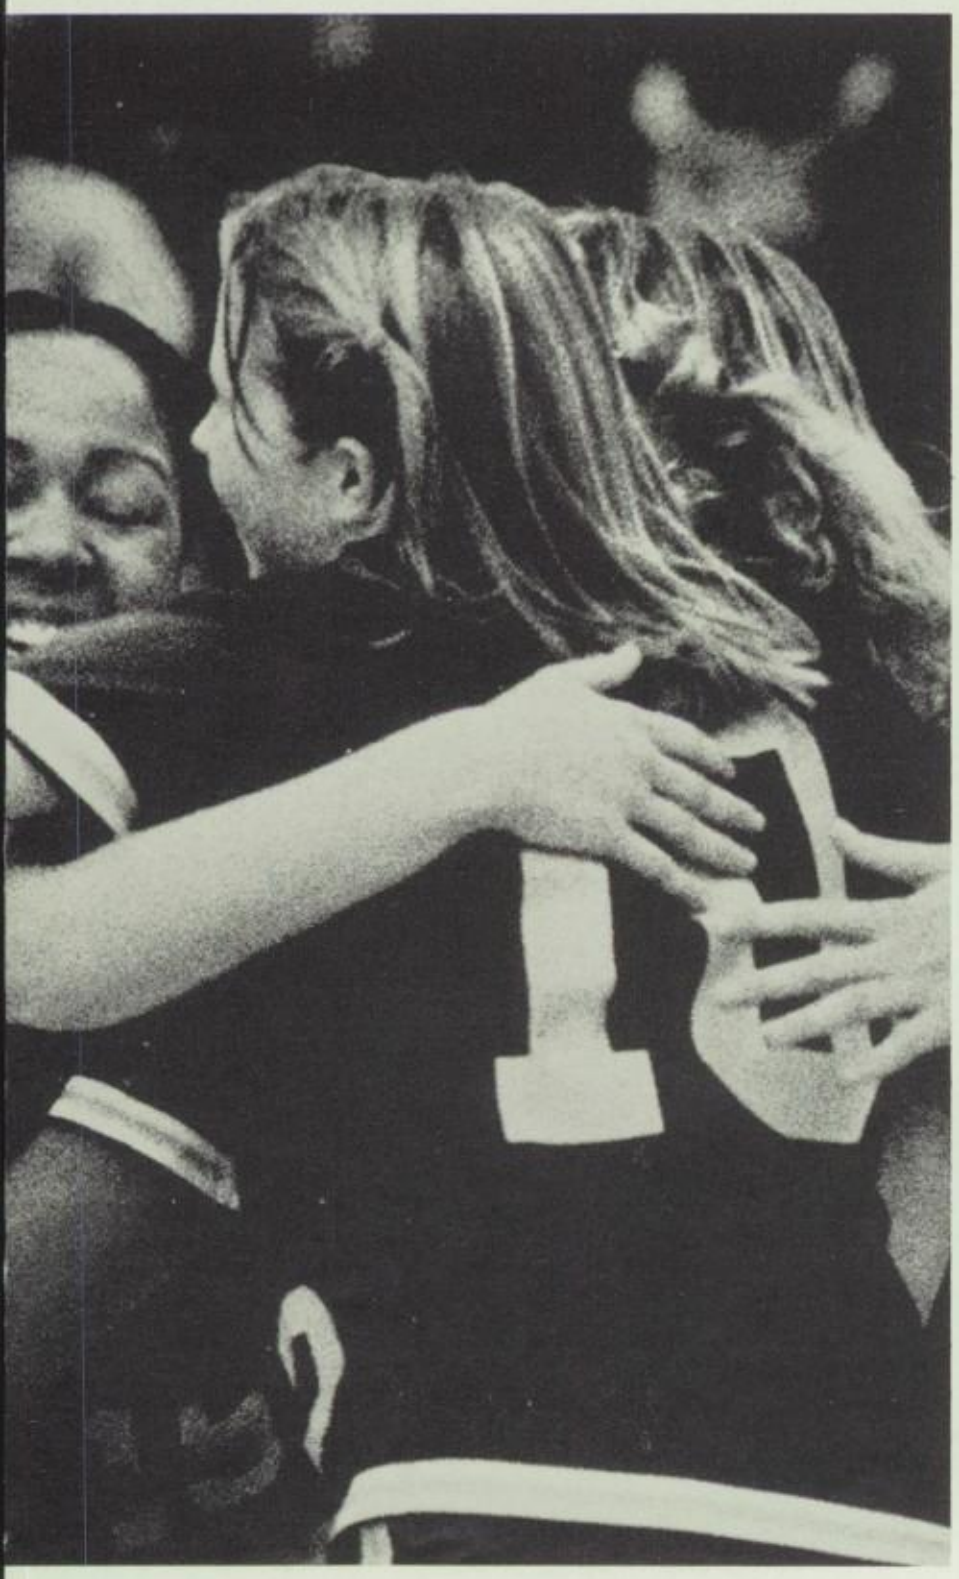
PEP AND SPORTS

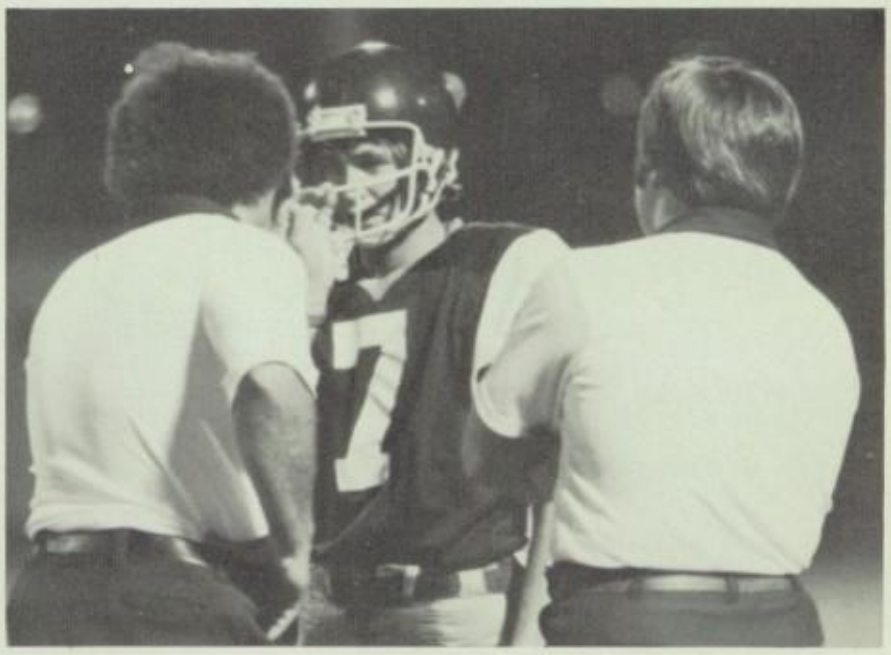
The excitement of the game,

the hard work, the cheering,

the victories are worthy goals.

The Cajon Cowboy athletic teams captured two CIF championships in two years; more than any other school in the city. The excitement of victory is something to look forward to, but it is not the most important part. The real joy is the participation throughout the whole season. The grueling practices are soon forgotten in the thrill of competition. The concentration and determination needed for these sports are qualities that are useful throughout life. Instrumental to the success of the teams is the pep group. Encouraging the Players throughout every phase of the competition, the pep squad helped boost moral and spirit. The goals of the teams became the goals of the cheerleaders in their constant drive for success. (Center photo by Ron Mann, "Sun Telegram")





Varsity Cheers Promote Spirit

According to Audrey Ellzey, Head of Varsity Cheers, "Cheerleading camp is a memory hard to forget. Learning five to six cheers in one day was murder, but lots of fun!" The cheerleaders really worked hard this year, promoting spirit at games and assemblies.

Varsity Flags Build Unity

Looking back on the year, the Flags realize they've come a long way. "Remember when we had all those after-school practices? Boy, were we ever hot!" says Head Flag Stephanie Barbosa.

Oh! We're the Cowboys,

We're number ONE!

We fight hard,

Our victory's won!

Songleaders Get Down

This year the Varsity Songleaders danced their way into the hearts of the Cajon fans, doing routines to such songs as "Copacabana" and "King Tut." "Although it's been a hard year, it's also been a very exciting experience for all of us," says Head Varsity Songleader Patty McDonald.

TOP: The Varsity Songleaders: (left to right) Toni Gray, Jody Garner, Head Patti McDonald, Loretta Dumas, and Joyce Webster clapping to the music. ABOVE: The Songleaders in action.

JV's Cheer to Victories

This year, the JV Cheerleaders were successful in cheering their team on to a winning season. "It was a lot of fun cheering for the football team that had the best record. Our guys were great and I'm glad we were a part of it." says Head JV Shelley Detine.

Frosh-Soph Works Hard

The Frosh-Soph Cheerleaders almost didn't have a team to cheer for, but after much hard work and determination, the guys organized themselves into a first-rate team. Their cheerleaders were behind them all the way. Says Natalie Anderson, "It was kind of tough at first, but we came out on top."

Varsity Football Team Has Frustrating Season

Many frustrating moments highlighted the 1978 Cowboy football season after opening with a 13-0 upset victory over the Barstow Aztecs. If the rule makers had suddenly decided to change the length of the high school football game from 48 to 43 minutes, the Cowboys would have been one of the top contenders in the league. As it was, Cajon never lost a game by more than a touchdown, usually scoring in the last five minutes of the game. The Big Play, the Trick Play, and a few questionable calls by the officials were the primary reasons for the last few minutes of "frustration."

Though the Cowboys ended with a very disappointing 3-6 record, there were some satisfying moments and experiences. Homecoming '78 proved to be an exciting game with Cajon beating Apple Valley in a hard-fought 7-0 upset contest. The Sun Devils were rated number nine in the C.I.F., but the Cowboys clearly dominated. The season ended on a good note when Cajon traveled to Yucaipa and came home with a 14-12 victory. Allen Anderson rushed for 192 yards and finished the season with a very respectable 754 yards and a 6.1 yard per carry average.

With some fine returning players, including Anderson and quarterback Joel Henley, the Cowboys will come back strong in 1979. However, there are many fine players graduating and will be missed tremendously. All-League players such as Andre Rucker, Derrick Thompson, Michael Cooper, and Pete Thomas will be difficult to replace.

The coaching staff and the players would like to thank the student body, pep group, and teaching staff for their fine support this season. Keep up the good work!

J-V Football Players Capture Second in SAL

This year's Junior Varsity players compiled an outstanding 6-3 record, good enough for second place in the SAL. Coaches Harlan McWhorter and Anthony Eagan did an outstanding job in giving this year's team the basic fundamentals and extra "razzle-dazzle" plays that will give next year's Varsity team the edge on all opponents. Vince Satcherwhite had several tremendous rushing games, including 210 yards against Moreno Valley. One of "Junior" Bryant's best games included scoring 16 of 22 points against Pacific on September 28. The MVP on this year's team was Vince Satcherwhite; Keith Armistead was elected Captain.

Freshman Footballers Organize for Season

If determination and fortitude are any measure, the freshmen met their goal by just having a team in 1978. Because of possible Proposition 13 cutbacks, it was doubtful if Cajon would field a freshmen team at all, but several members went before the Board and successfully pleaded their case. Then they had to round up enough players for a team. Because of this delay, the freshmen squad started its season with just ten days practice. Even though they lost most of their games, under Coach Kevin Wellington, assisted by William Wellington, the Freshmen Squad had some good moments. Vincent Hemphill scored two touchdowns on running plays, while Quarterback Fred Smith scored a touchdown on a one-yard plunge. Tim Doyle and John Moyles were elected Co-Captains, and Ron Smith was named Most Valuable Player.

Cross Country Team Has Champion Runners

Scott Ploughman won five individual first place races, defeating Apple Valley's best in a dual meet on Cajon's course as one of the highlights of Cajon's long distance runners. Cajon Cowboy's Frosh-Soph team won their division in SAL competition. The Frosh-Soph team makes up the nucleus of a fine future varsity team. Mindy Damron took first in all of the girls' division of league racing and took first over all the girls in the SAL final meet. She set the girls' record on Cajon's course with a 13 minute, 20 second record. She took first in all the invitational meets and placed fourth at Mount Sac. She took fifth in C.I.F. Team members elected Curtis Brundage captain, and Scott Ploughman MVP. The Cowboy Award went to Mindy Damron. The Frosh-Soph team named Chris Rezek captain and Bill Carroll MVP.

Girls Varsity Volleyball Wins CIF Championship

The Varsity Volleyball Team was really outstanding this year. Not only was the team undefeated in SAL, but they went all the way to win CIF and become champions! When asked her opinion concerning the CIF championship, Coach Naomi Ruderman said, "It's fun to win!"

This standing was not easily achieved, for only 32 schools out of 170 are chosen to participate in the CIF finals. It took many hard hours of practice to reach this goal. The title was only won through Mrs. Ruderman's expertise in coaching and the team's devotion to the game.

The Captain of this year's winning team was Senior Audrey Ellzey. The MVP's were Senior Joanne Cooper and Junior Terri Nielson. The Cowgirl was Janice McCall. Other individual honors include: Terri Nielson—co-MVP, San Andreas League; Joan Bougie, Joanne Cooper, Audrey Ellzey, and Terri Nielson—first team; All-League; April Morrow—second team: Jackie Bougie—Honorable Mention; and Audrey Ellzey, Joanne Cooper, and Terri Nielson—All-CIF.

J-V Volleyball Team Wins League Title for Cajon

This year the Junior Varsity Volleyball Team, following in the footsteps of the Varsity team, achieved its best record ever! The team accomplished their goal of being ranked first in SAL with a record of 13 wins and 1 loss. This position was not easily achieved. Coach Ed Palmer provided a source of encouragement for the girls. The Captain of this year's team was Sara Lamb, with Maria Parish assisting her as Co-Captain. The honor of being MVP went to Brenda Larrabee and Sonya Negrete for their excellent performance on the court. Donna Overton, a starter on the JV team, was honored by being put up to Varsity because of her skill and hard work.

Water Polo Team Drowns Opponents

This year's Water Polo Team found security in their seniors as three of the four award winners were 12th graders. Captain Bruce Krueper led the Varsity "fish" to a 6-8 record, tying their best season ever. Along with being team captain, Krueper was chosen for the first team in the CBL. his year's MVP award went to goalie Bill Philpott. The other two awards, the Cowboy Award and the Best Defensive Player Award, were given to senior Brenda Traugott and junior Gerard Gonthier.

Tennis Team Looks Toward the Future

This year's girls' tennis team has improved over last year. Although they only won two league games, they are a young team and will improve even more next year. Miss Marshall, the coach, remarked, "When viewing our league record, one must keep in mind that we are a very young team. There are only three seniors, one junior, and all the rest are sophomores and freshmen. Therefore, we show a lot of promise for the next couple of seasons to come, and I'm sure you'll be hearing from us on a more positive note next year." For the Varsity Team, Pam Henck was the most valuable player, Rochelle Gerber was the team captain, and Teri Horn won the Cowgirl Award. For the Junior Varsity Team, Julie Strawbridge and Joanne Farrington, were the most valuable players.

The Kamikaze Kids Go for Cheeseburgers

The Varsity Basketball Team, "The Kamikaze Kids," had a split season of seven wins and seven losses. The team won several cheeseburgers for the fans as their cheeseburger defense held their opponents. Coach Rod Jensen fet that if the team had had more time to prepare itself during the summer then they may have improved their fourth place finish in SAL. The players who accumulated the most points were Chuck Adams with an average of 20.2 points a game, and Eric Reinert with an average of 15 points per game. Robert Green was the team's best defensive player, and Chuck Adams had the highest number of rebounds, averaging 12.8 per game. Billy Session was also a great asset to the team with an average of 6 assists per game. Chuck Adams was the captain of this year's team and won the "Banzai Award."

JV Basketball Team Has Losing Season

The Junior Varsity Basketball Team tried very hard this year, but ended with a record of four wins and twenty losses. Coach Geiger said that "the team was a young team, but it had grown a lot and demonstrated a lot of patience." The team worked hard, practicing from five to eight at night, Monday thru Friday, and from nine to twelve in the morning on Saturdays. All the players played an important role and there were no stars on the team. The Captain of this year's team was Rory Matheny and the MVP was Ricky Sams.

Freshmen Team Plays A Shortened Season

The Freshmen Basketball Team did fairly well this year. There were very few other schools who had freshmen teams, so there was not much competition for the team. The freshmen basketball players practiced hard during the season. They worked on their basic skills and fundamentals, along with team strategy. Everyone on the team improved during the season and many hope to be good enough for the Varsity Team next year. The coach for this year's team was Dan Jacobo, with Ron Carter acting as his assistant coach. The Captain for this year's team was Craig Huff, and Keith Martinez recieved the MVP award.

Varsity Basketball Team Advances to CIF Playoffs

The Girls' Varsity Basketball Team had an excellent record this year despite several injuries during the season. With a league record of 8 wins and 4 losses and an overall record of 14 wins and 9 losses, they tied for second place in the San Andreas League and advanced to the first round of the CIF playoffs. Throughout the season, there was a concentrated team effort with each player contributing her own share. With only four members graduating, the team will be very strong again next year. Audrey was the high scorer and rebounder this year, averaging 12 points and 16 rebounds per game. Sandy Brawley was close behind with an average of 11 points a game. Guiding the team to victory were Captains Maria Walker and Sandy Brawley. Audrey Ellzey was named MVP and Sherron Reed was Cowgirl. All-league honors went to Audrey Ellzey and Sandy Brawley, and Maria Walker won Honorable Mention.

JV Basketball Girls Score Many Victories

The Girls' Junior Varsity Basketball Team is a training ground for future Varsity players. The team did very well this year and ended the season with an overall record of 11 wins and 5 loses. Jeanette Jackson, who was moved up to varsity near the end of the year, was the high scorer, averaging 9 points a game. Natalie Anderson was close behind, averaging 7.5 points per game. Leading the team in rebounds was Captain and MVP Kris Ledbetter. Kris averaged 7.3 points a game, ended the season with 211 rebounds, and was moved up to varsity for the CIF playoffs. The team members learned much throughout the year and many of them will be playing for the Varsity next year.

Swim Team Honors Won By Individual Members

Even though this year's Swim Team won only 7 out of 14 meets, there were several outstanding swimmers who won many events. Scoring the most individual points were Bruce Krueper, 126½; Gerard Gonthier, 108½; Jack Miller, 99½; and Brent Gauley, 76½. Bruce Krueper went to CIF finals, held in Long Beach, and took sixth in the 100-yard butterfly. In the SAL league finals, the freestyle relay team- consisting of Jack Miller, Gerard Gonthier, Brent Gauley, and Bruce Krueper-to second place. Also in the league finals, Bruce Krueper placed third for the 100-yard butterfly and first in the 500-yard freestyle. The major problem faced by Cajon Swimmers was the lack of depth in the various events because of the small number of team members. Out of a team of 14, five were returning lettermen. Receiving team awards were Jack Miller, Captain; Gerard Gonthier, MVP; and Bruce Krueper, Cowboy Award.

Varsity Wrestlers Send Thompson to CIF Finals

The Varsity Wrestling Team, despite its poor record of one win and seven losses, had an outstanding accomplishment in the area of individual scoring by Derrick Thompson. Thompson, a returning letterman, achieved a league record of 6-1-1, and then proceeded to the CIF finals. The team's unsuccessful record was due mainly to lack of attendance at practice and at matches. Practice was held everyday after school from 2:30 to 4:00. Team members receiving awards were Thompson, MVP; Michael Cooper, Captain; and the Cowboy Award, Thompson. Assistant to Coach Cid Cardenas was Kevin Wellington. Coach Cardenas, in spite of this year's poor record, refuses to lose his spirit in hoping that next year will be better.

JV Wrestlers Hope For Future Success

The Junior Varsity Wrestling Team, though they had a record of no wins and eight losses, has many hopeful members for next year's Varsity Team. These hopefuls include Greg Barnes, Ralph Hernandez, and Danny Candelaria. The team's record can be attributed mainly to inexperience. Team members met every day after s school to practice from 2:30 to 4:00. The wrestlers were divided into thirteen weight categories and were allowed to wrestle opponents who were no more than one weight from their own. Awards were given out to Greg Barnes for MVP, and to Ralph Hernandez for Captain. Coach Cid Cardenas, who was assisted by Kevin Wellington, feels the wrestlers will be more positive next year, and the team will do better.

Girl Swimmers Field Strong, Young Team

The Girls' Swim Team this year, with only eight returning varsity swimmers, was the best it has been in the past four years, according to Coach Anita Hutto. Sophomore Lori Chapparo broke the school backstroke record, and the record in the 200 medley relay was also broken. Lori Chapparo also took a fourth place in the backstroke competition in league finals last year, while Brenda Traugott took second in the 500. Leading the team to victory this year were captains Valerie Cosby and Kelly Thomas. With only three seniors on the team—Brenda Traugott, Julie Wall, and Kari Hernandez—the team will undoubtedly do very well again next year.

Cowboy Tracksters Win Against Strong League

Spring time at Cajon brings many things. The most noted is the beginning of Track season. Traditionally, Cajon is considered to be a track power. In the past nine years the Cowboys have won or shared the Championship six times. The 1978 team not only won the League Championship, but was the first team to win the CIF Championship in any sport since the school began in 1970. Sixteen returning lettermen led the way as Cajon once again lived up to its reputation.

It would be difficult to single out any one person as being the most outstanding performer because of the tremendous "team" effort demonstrated by all. However, there were a few who consistantly scored heavily in every event. Senior Derrick Thompson was the leading "weight" man, setting records in both the Shot and Discus events. Sophomore Fred Dumas also scored many points in those events. The distant team was led by junior Scott Ploughman. The Hurdlers were well represented by seniors Tyrone Johnson and Maurice Williams. High Jumper, Quarter Miler, and Long Jumper Chuck Adams was also outstanding in all areas. Seniors Andre Rucker and Donell Payne and junior Stacey Beckwith led Cajon Sprinters, with junior Allen Anderson, a returnee from the 1978 CIF. Recordsetting 440 relay team, setting the pace in the 440 and both Relays. Junior Rod Durant was the team's leading Triple Jumper. It needs to be emphasized that this year's team won with team effort and lots of depth in all events.

Girls' Track Returns Stronger Than Ever

This years' Girls' Track Team has to be one of the best teams that Cajon has ever had. After winning second place in the SAL last year, the team has a lot of depth and a wide variety of talents. In addition to this they had quite a bit of returning experience which made us hard to beat in a bid for the CIF championship.

Bridgette Blackburn ran the 100-yard dash in 10.7 which made her almost unbeatable. Laura Jackson, Bridgette Blackburn, Carolyn Sheppard, and Roxanne Jackson were the members of the 440 relay team. Their time of 50.4 made them tough competitors in the SAL. Roxanne and Bridgette also ran the 220 in the excellent times of 26.3 and 25.7. The mile relay team consisted of Mary Spears, Josephine Riley, Rhonda Beckwith and Roxanne. Mindy Damron was an excellent distance runner, running the two mile in 12:34 and the mile in 5:54. Cindy Culberson and Tonya Jiles were excellent in 110 low hurdles. Carolyn Sheppard was very good in the long jump, jumping 17'5". She was also excellent in the high jump. Both she and Corrine Dawson can jump 5 ft.

The team was strong in the field events with Ruby Payne putting the shot 36' and throwing discus 73'1". Bonnie Schuyler was also very good in these two events. She put the shot 34" and threw the discus 76'3". Vanessa Bailey and Josephine Riley were excellent in the 880. Coach Karen Marshall believes that the Girls' Track Team is one of the best in the area, if not the state.

Fine Singles Play Highlights Season

The 1979 tennis season was full of contradictions. Although the record may not show it, this year's team was the best that Cajon has produced. According to Coach Whistler, the reason for this was that they dropped three weak teams from the league, and added three tennis powers- Apple Valley, Victor Valley, and Arlington. Last year, as a junior, Trent Smith established the all-time best record at Cajon. John Flesher challenged Trent for #1 this year, and sophomore Oliver Levy was close behind. Robert Cruz and Mike Roche also added much to the team and will be graduating this year. John Azvedo is a new addition to the team, and is the hardest working member.

Softball Team Sparkles In League Competition

The Varsity Softball Team was very successful this year. In addition to the consistently expert performances by Joanne Cooper, Herisceen Davis, Terri Nielson, Sandy Brawley, and Maria Walker, there were also some new players who did exceptionally well. Donna Overton, a freshman, was an asset to the team as was Cheryl Gipson who achieved the highest batting average. The team members met for practice everyday after school in order to improve their skills and limber up their muscles. Naomi Ruderman coached the girls and Joanne Cooper served as captain.

J.V. Team Has Hitting Power

The Junior Varsity Softball Team did extremely well this year. With the help of their new coach, Ed Palmer, and manager, Kathy Kelleher, the team was very successful. The team's strong point was batting, with a team average of 360. There are many hopefuls for next year's varsity team. Among these many hopefuls are Carolyn Chapparo, Rachel Madrid, Heather McDonald, Jenifer Monteith, Jeannette Jackson, and Jeanie Thompson. The girls practiced with the varsity team every day after school. These workouts included practice games that helped members of each team improve their speed, agility and softball skill. This year's captain was Jeannette Jackson with Jeanie Thompson serving as co-captain.

Team Play Highlights Season For Golfers

Coming off a 3-18 record in 1978, this year's Golf Team improved its team score. Coach Arvil Hale explained, "The over-all team play-throughout the squad-improved during the season to the point where several people were battling for the fourth and fifth positions." According to Coach Hale, Steve Norton, a freshman, played in the number-one spot, averaging about 40 strokes per nine holes. Returning to The squad were Richard Browning, junior, and Robbie Reynolds and John Larrabee, sophomore. Seniors Pat Lardin and John Lopez along with freshman Bill Sheble and Doug Richardson joined the team. Pamela Henck, a senior, joined the team as the first girl golfer for Cajon.

Many Problems Beset Varsity

After breaking even with eleven wins and eleven losses in 1978, the 1979 Varsity Baseball Team had to struggle through this year's season with some problems of its own. First, the team began the season at Blair Park on a field which had short fences. Later games were played on Cajon's athletic field which has no fences at all. Secondly, the Cajon baseballers were fairly inexperienced with only seven returning lettermen. Highlights of the season were the outstanding play of Joe Jackson and the hitting power of Jackson, Billy Sessions, and clean-up man Kevin Dockham. According to Coach Keith Lowe, third basemen Joe Jackson was outstanding and received many scholarship offers.

JV Baseballers Hustle For Successful Season

Coming off last year's record of six wins and fifteen losses, this year's Junior Varsity Baseball Team practiced every day after school in hopes of having a better 1979 season. Under the direction of a new coach, Dave Twitchell, this year's team had a strong pitching staff including Dave Semo, Rick Tull, Charlie Schuyler, Chris Davis, and Louis Lukes. Other players included Tim Doyle as catcher, Julian Romero at first base, Scott Workman and Denny Doyle alternating as shortstop, Freddie Alvarado in left field, Mark Pestrella in center field, and Jeff Moses in right field.

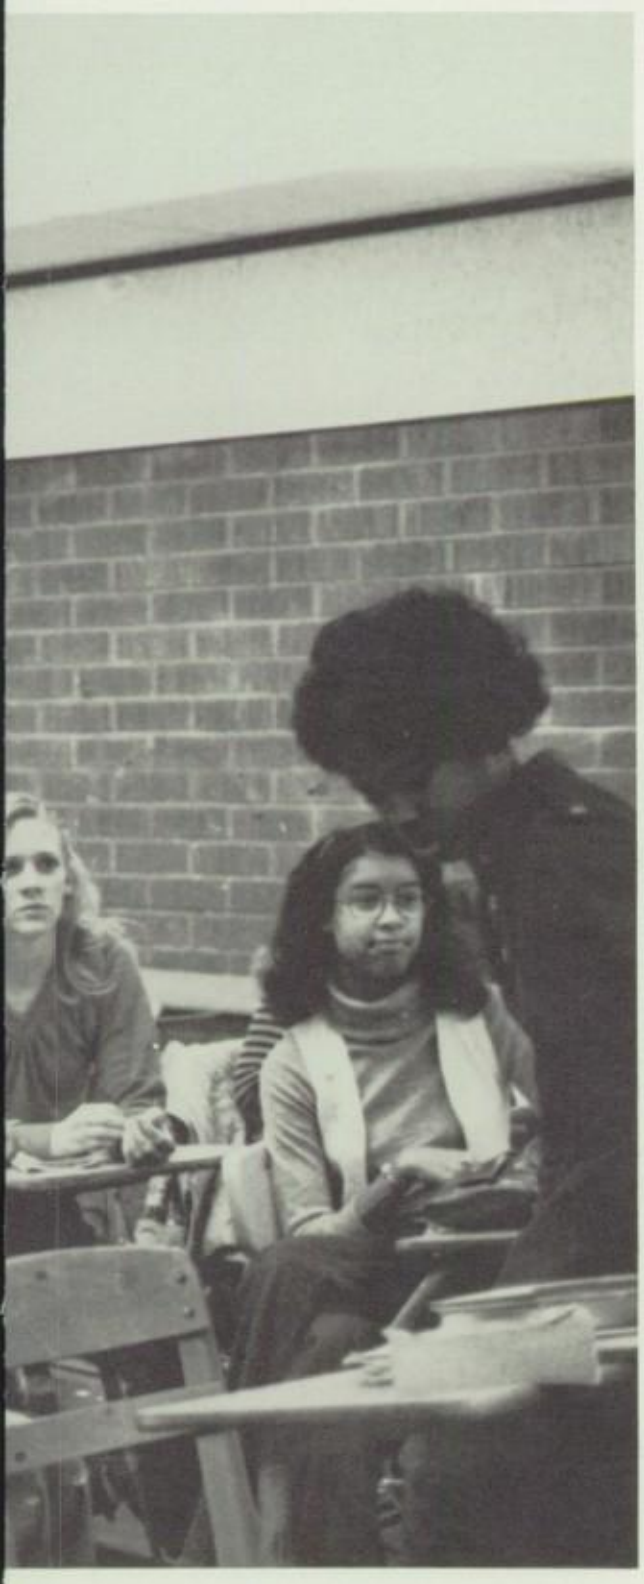
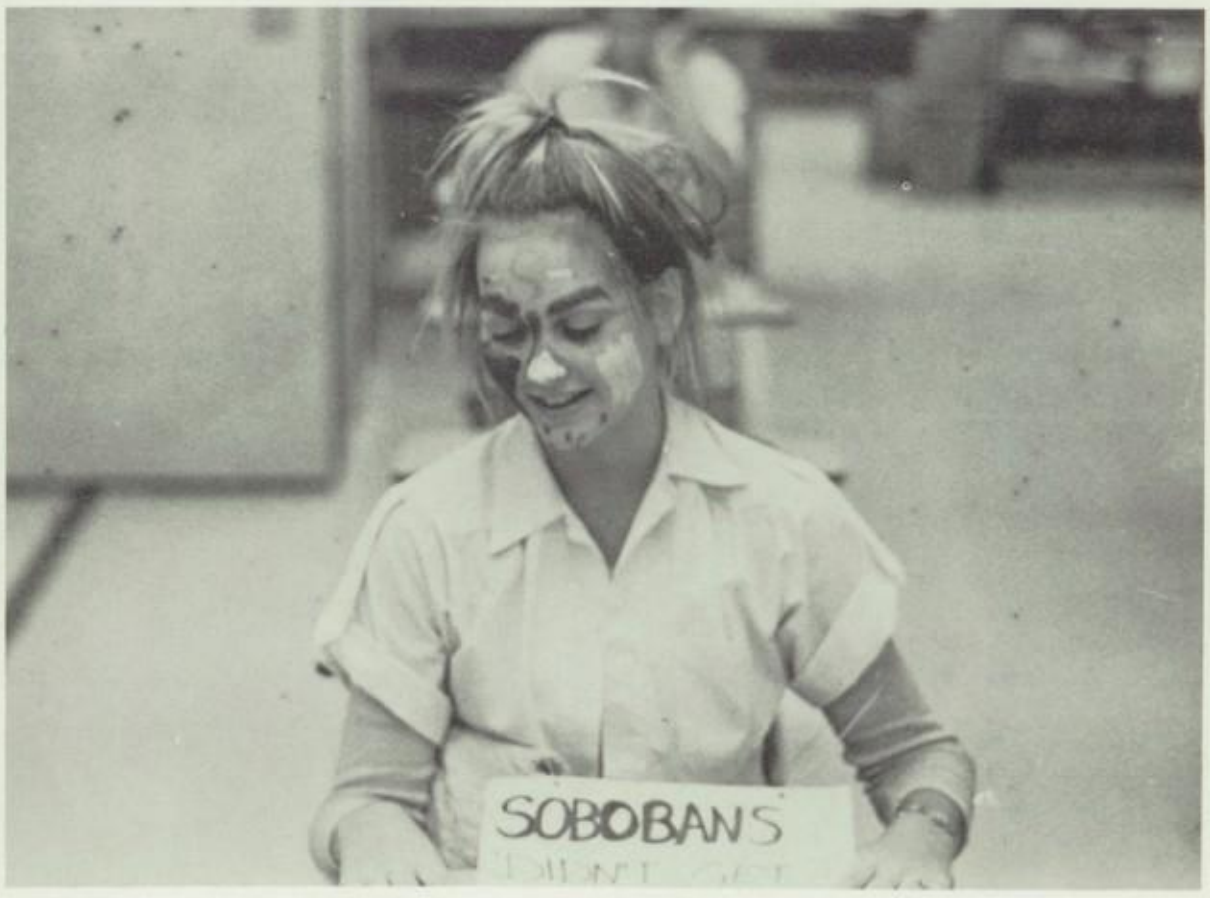
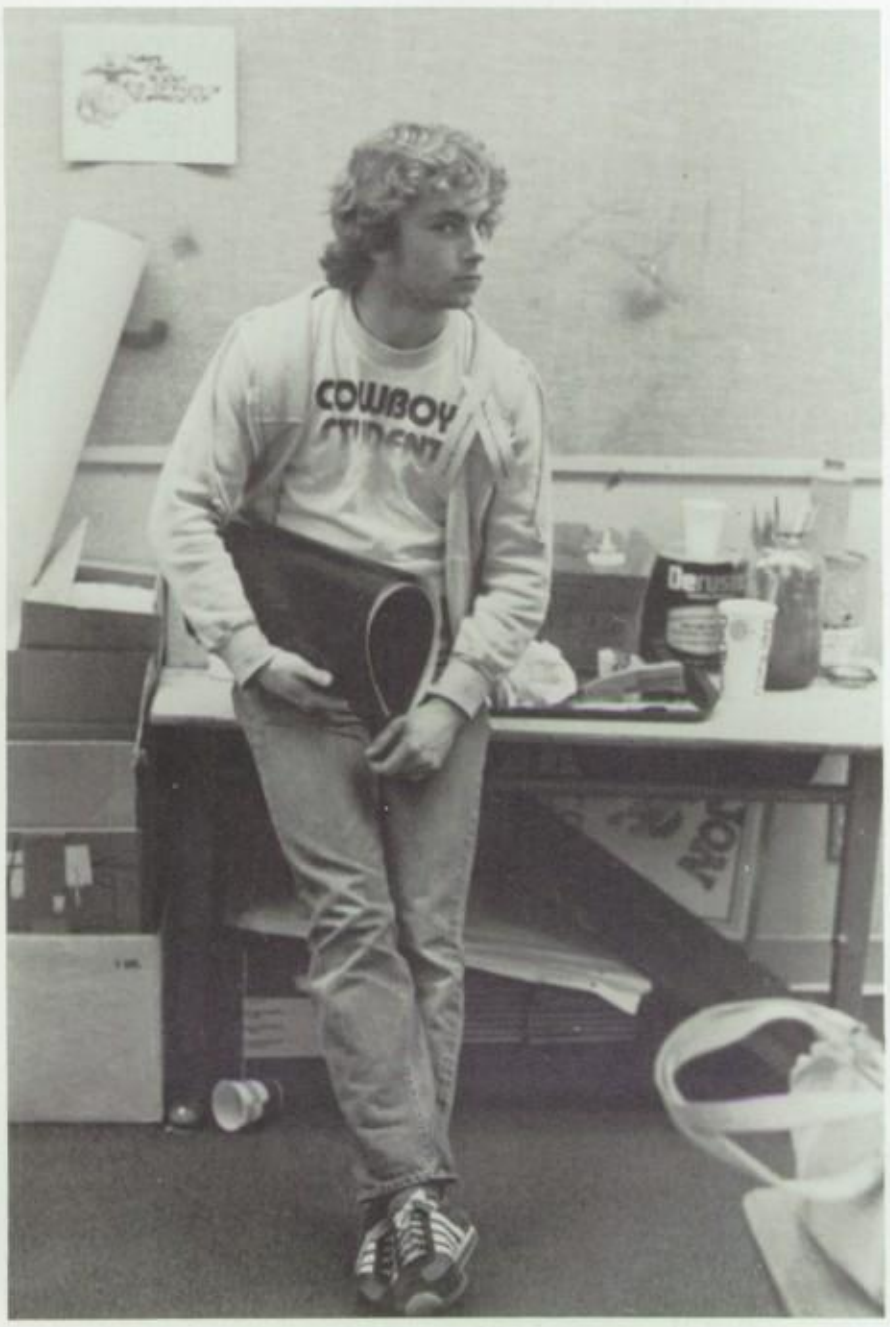
CLUBS

Goals are strengthened, reshaped, and achieved, and new friends are made through club activities.

Clubs form an integral and important part of student life at Cajon, offering opportunities for recreation, exploring new interests, and gaining new friends. Clubs also often help in the achievement of one's goals by helping students understand new dimensions in themselves. Through both leadership and participation, students can find inspiration for new goals; existing ones can be strengthened, stimulated, or given new directions. Each club gives its members something they can take with them when they graduate. While some members receive such tangible benefits as scholarships, everyone gains an added sense of loyalty and cooperation. These qualities stay with a person long after the individual club activities are forgotten. Thus, the experience of belonging to a club is a very valuable part of a student's total high school education.







Dear Cajon,

I want to thank you for a great year. I've learned to open up to people, to experience what life is about. It makes me feel good to feel the warmth and love of those around me.

You, have at Cajon, have more than you realize. Appreciate what you have and make the best of what is yours.

Thanks for the memories.

Stewart Bryant.

World-Wide Friendship Is Goal of Cajon AFS

AFS club's purpose is to welcome and entertain the AFS student and to study the customs and cultures of other countries. Stewart Bryant was the AFS student this year. He lived with Gerard Gonthier and his family. The AFS club participated in Chapter Meetings and in the Multi-national dinner, as well as holding skating parties and taking trips to Farrell's. Susie Sztaray was the president; Jasmine Tacal, vice-president; and Melissa Love, secretary-treasurer.

CSU Sponsors Awards Night

The Cajon Student Union was responsible for the Academic awards night held at the Convention Center this spring. This is the one night in the year that students are honored for their outstanding work in academics, leadership, and service by receiving academic letters and certificates of achievement. Together with a dinner and dance, it made a very special night for Cajon students. The officers of the club were Pam Henck, Byron Bond, Mellyn Heavilin, and Jasmin Tacal, presidents; Donna Larrabee and Janae Barnes, vice-presidents; John Larrabee and Brian secretaries; Gail Dickerson, treasurer; and Bruce Krueper and Mary Gilliland, publicity. Mrs. Joann Mercer was the club sponsor.

National Honor Society Brought Back to Life

The National Honor Society is a club which after many unsuccessful attempts at re-establishment here at Cajon, has finally been brought back to life. Mrs. Carmen Fast, the sponsor of the club, has had previous experience in directing clubs of this type and has a positive outlook toward the success of NHS. NHS is an honor group giving members recognition by colleges and universities. Those students who were in the club as seniors received several honors which included a gold seal on their diplomas. GPA requirements for seniors are 3.25; juniors 3.5; and sophomores 3.75. Club officers for this year were Pam Henck, president; Donna Larrabee, vice president; Susan Workman, treasurer; Lela Spears and Lucinda Gianotti, secretaries.

Key Club Goes For Clean Fun

Meeting their goals with a flourish under the motto, "We Build," this year's Key Club indeed performed many services. Club members helped the Civic Light Opera by selling programs and soft drinks. They also helped at the Kiwanis' gift wrapping booth during Christmas. Key Clubbers also helped the Concert Association by serving as workers and selling tickets.

This year's officers included Joel Henley, president; Randy Rogers vice president; Russell Boster, secretary; and Mark Yzaguirre, treasurer. Bill Cannon was Lieutenant Governor, a division officer, representing twelve clubs.

Sobobans Serve School And Community Groups

This year the Sobobans gave a Thanksgiving Basket to a needy family, worked for the Easter Seal and Cancer Societies, and gave gifts to people in a convalescent home at Christmas. The girls also provided cotton candy at Football Homecoming and a C.I.F. volleyball game.

The name "Sobobans" was chosen because of the Soboba Indians that used to live in the San Bernardino Valley. Not only is the club name Indian, but all the officers have Indian titles. Aurora (president) was Donna Larrabee. Princess (vice president) was Pam Henck. Susan Workman was Wampum Maiden (treasurer). The Scribes were Cathy Niese and Melissa Love. Kathy Cataldo was the Tawanka Maiden in charge of service. April Moree was Harvest Maiden in charge of food. Toni Fitts, Smoke Signaler, was chairman of the telephone committee and Mary Gilliland, Sunshine Maiden, had the responsibility of sending get well and sympathy cards to members. Papoose (junior representative) was Mary Braswell.

Icthus Club Serves People

Icthus is a religious club which meets every Wednesday. Some of their activities included Thanksgiving baskets and films during lunch. During Thanksgiving, Mellyn Heavilin, Gail Dickerson, and Donna Bruce went to the Mexicali Valley, in Mexico, on a short-term missionary project. The sponsor of Icthus is Mr. Arthur Atkinson, and the co-sponsor is Mr. Donald Johanneck. Officers include Nancy Cooper, president; Donna Bruce, vice-president; John Minor, treasurer; and Robin McClellan, secretary.

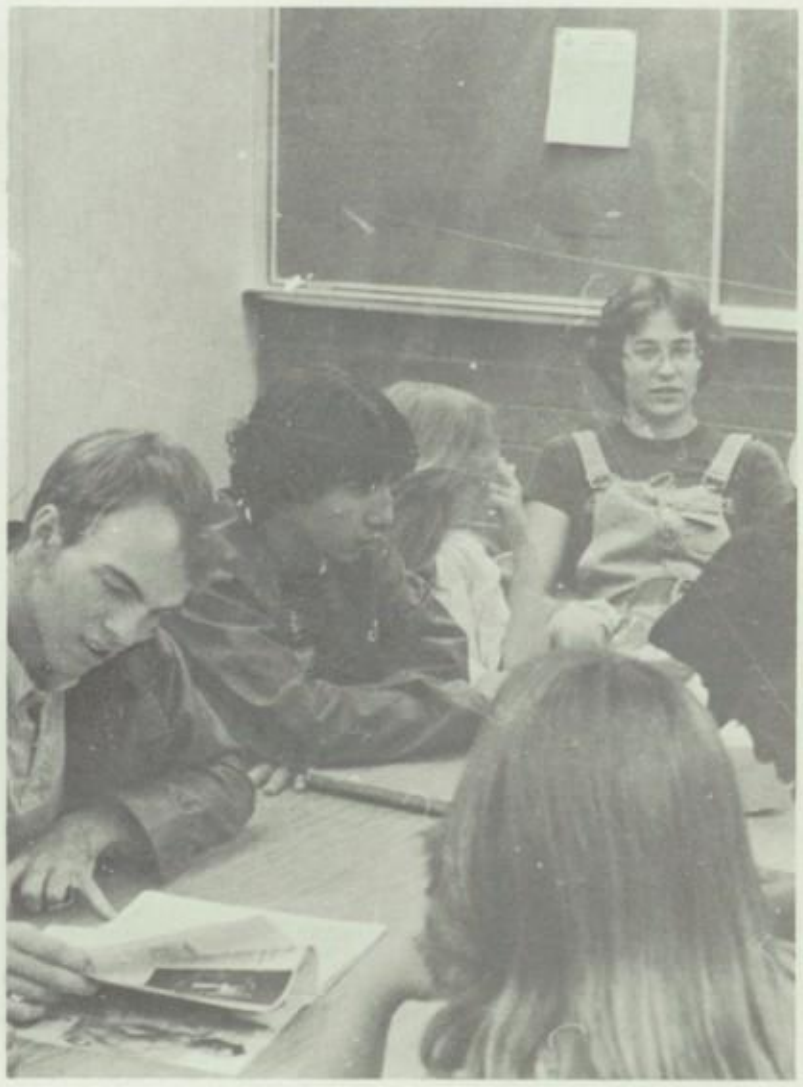
KCHS Provides Music For School Enjoyment

Beginning its second year of operation, KCHS gave Cajon students the opportunity to become announcers and D.J.'s, learning better speech and learning to operate equipment. According to Mr. Frank Bennett, sponsor, members made announcements and played music during lunch time, writing and organizing their own material. Material was developed around themes—such as Christmas. KCHS held a jingle contest and had moneyraising programs for new equipment. Officers for KCHS were Eric M. Knapp, president; Thomas Millar, vice president, and David Murphy, secretary-treasurer.



UPPER LEFT: Rick Bennett and Scott Boyer show much enthusiasm during the meeting. CENTER: No reaction is volunteered for the particular issue of the day. CSF Members Supply Sealbearers for Cajon

The California Scholarship Federation, more widely known as CSF, is a club for students who receive outstanding grades in academic subjects. To qualify for CSF, a student must have at least three A's and one B in homework subjects on his semester report card. Students who are in CSF for four semesters, including one in their senior year, become Sealbearers. Some CSF members served as tutors for students who needed help with their studies. The president this year was Tyrone Moses, vice president was Lela Spears, secretary was Joel Henley, and treasurer was Melissa Love. The sponsors of CSF were Mr. Malcolm Benson and Mrs. Ruth Lewis. Club members took a trip to the campus of the University of California, Irvine, and to see the motion-picture "The Wiz."

MIDDLE: Club members standing are Bruce Krueper, Kathy Niese, Richard Lindberg, Toni Fitts, Laura Barlow, Mary Spears, Teresa Davis, Erica Lithen, Sandra Lott, Lela Spears, Byron Bond, Marcie Oliver, Deidre Cundiff, and Mrs. Lewis. Dugout Kittens Spice Up Season

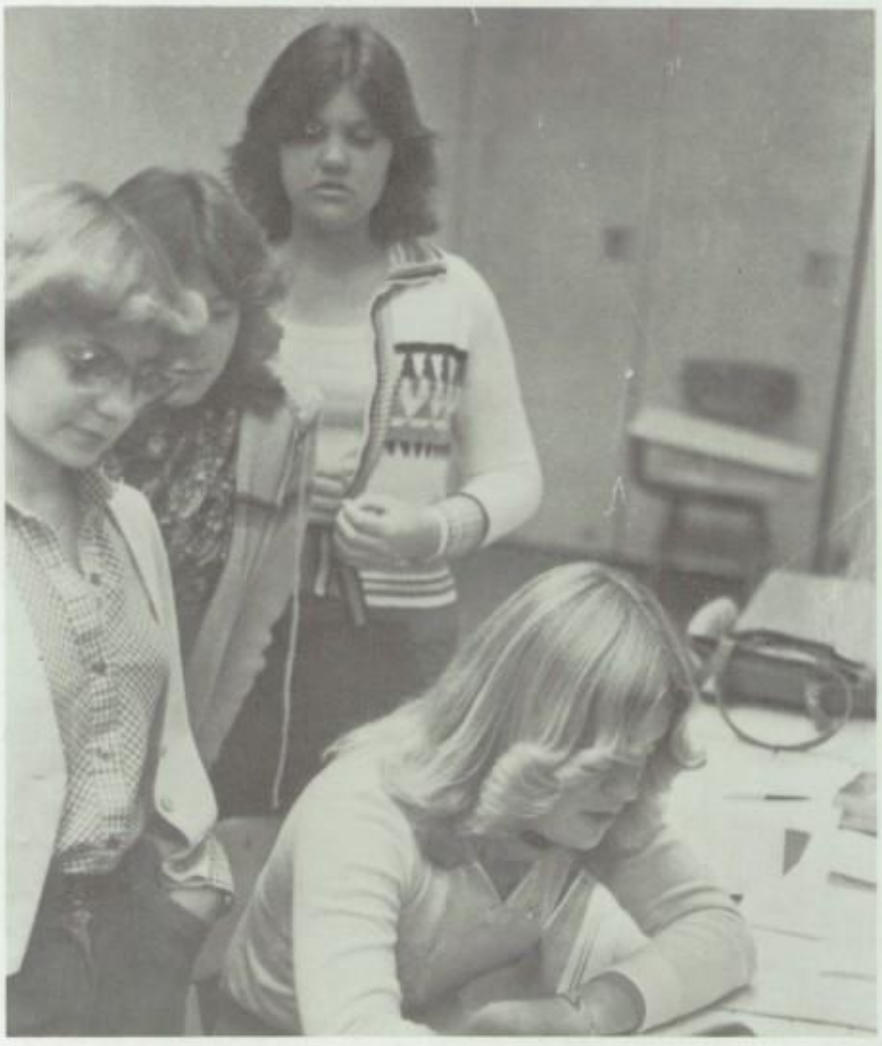
Under the supervision of Nancy Kay, president, this year's Dugout Kittens were a real morale booster for Cajon's baseball team. The girls formed the nucleus of a cheering section as well as helpers in other areas. They shagged foul balls, handled the bats, kept statistics, and helped raise money for expenses. Mr. Keith Lowe acted as club sponsor.



Top: Mr. Keith Lowe discusses the girls' plans for the year. Middle Left: The Dugout Kittens look over the business at hand. Wrestlerettes Boost Morale of Wrestlers

There is a saying that "Behind every great man stands a woman." This is certainly true of the Wrestling Team, and the girls who stand behind them, the Wrestlerettes. These girls go to meets and tournaments with the team, keep score and stats, and bake cookies and cakes to boost morale. The president was Lisa Plawin; vice-president, Lori Chapparo; secretary, Cathy Scudder; treasurer, Cindy Munkittrick.

TOP LEFT: Front Row: Cindy Munkittrick, Lisa Plawin. Second Row: Cathy Scudder, Lori Chapparo, Mellyn Heavilin. Back Row: Gail Dickerson, Robin Bryan, Melanie Hicks. Future Business Leaders Have Various Activities

Future Business Leaders is a club which helps students gain knowledge of the business world. During the year, the eighteen-member club went on field trips to various businesses and industries and had several speakers from different professions give talks on various fields in business. According to the club sponsors, Mrs. Barbara Fields and Mr. Joseph Corrigan, the club's main project of the year was having the students operate a store for the faculty, selling things such as crackers, raisins, gum, etc. Club officers for the year were Don Burgess, president; Mark Miller, vice-president; Candy King, secretary; Josephine Riley, treasurer; Billy Prezler, parliamentarian; and Wilma Davis, reporter.

FFA Members Win in Livestock Competition

During the year, Future Farmers of America participated in various agricultural activities. Under the leadership of the club sponsor, Mr. David Mahdavi, the club participated in community services and the Homecoming Float competition. The twenty-seven member club competed in several livestock competitions. In the Pomona Judging Day (Southern California Region) Cajon won first place out of fifty schools in livestock judging. Sarah Burton had the seventh highest livestock judging score of all the schools combined.

Black Student Union Has Various Programs

The main goal of the Black Student Union is to inform the black students at Cajon about their heritage. BSU participated in several activities under the direction of club advisors, Gene Brown and Eugene Kirkland. BSU visited KTTV and NBC studios. They sponsored an on-campus form of the Dating Game and a talent show in which students from Cajon participated. Club officers for the year were Albert Smith, president; Joyce Sweatt, vice president; Loretta Dumas, secretary; Mara Walker, treasurer; Audrey Ellzey, head of committees; and Derrick Thompson, sergeant at arms.

UCS Members Enrich Cajon

United Chicano Students is a club whose main goal is to enrich the minds of young Chicano students at Cajon. During the year UCS went to the play "Zoot-Suit," visited Universal Studios, visited Los Angeles, and saw the Ballet Folklorico dance group. This forty-member club had a very productive year under the leadership of Mr. Juan Almanza. Club officers for the year were Rosie Madrid, president; Norma Saldana, vice-president; Rachel Madrid, treasurer; Sandy Saldana and Trini Perez, sergeants-at-arms.

Bowling Club Rolls Through Another Year

The Bowling Club got off to a striking start this year. A member of the Citrus Belt Junior Bowling Association, composed of 14 teams, club members met every Tuesday at 2:30 to compete against one another under the sponsorship of Mr. Frank Gamboa. Officers for this year were Billy Preszler, president; Rick Browning, vice president; and Violet Pattison, secretary. Trophies were given to first place and second place teams with individual trophies given out to both boys and girls for High Game, High Scratch Game, High Series, High Scratch Series, High Handicap, and High Average. A trophy was also given to the most improved bowler.

Chess Club Moves On

Chess is a game of concentration and patience. Chess has been a traditional club at Cajon. Members of the Chess Club met every Monday and Friday during lunch in Room B-2 to compete against each other in this mind-boggling game. The sponsor of this year's club was Mr. Eugene Talmadge with Ray Sischo as president, Mike Hayner as vice president, and Bruce Krueper as secretary.

Mathletes Work Hard Preparing for Projects

This year's Math Club consisted of a small number of students interested in exploring math on a level above that taught in ordinary math courses. The Mathletes spent many of their lunches learning how to read and write BASIC-PLUS computer language. They also worked on games and puzzles, and most importantly, studied new types of math concept and problems not usually encountered in everyday life. These often bewildering problems are common in contests and exams. Sponsored by Mr. Donald Tierney, the clubs' officers were Byron Bond, president; Bruce Krueper, vice president; and Richard Lindberg, secretary.

GAA Supports Girl's Athletics

The Girls' Athletic Association was sponsored this year by Mrs. Naomi Ruderman and Mrs. Anita Hutto. The membership consists of all girls who have earned a varsity letter. Activities include promoting girl's athletics and athletic ideals, providing for "camperships" and assisting in athletic scholarship information. The officers of the Association this year were Audrey Ellzey, president; Terri Nielson, vice-president; and Maria Walker and Joan Bougie, secretaries. Representatives from each sport included Pam Henck, tennis; Joanne Cooper, volleyball; Sandra Brawley, basketball; Tia Rodriguez, track; Lori Chapparo, swimming; and Sandy Saldana, softball.

Student Council Adds Life to CHS Campus

Under the new direction of Mr. Harlan McWhorter, who took on this responsibility last September, Student Council produced many wild and crazy activities for the CHS student body. Student Council managed to put together some great lunchtime activities and Homecomings, in addition to the dances and assemblies. Kenny Lehmer was the ASB President, and under his leadership the Cowboy Student Council pulled CHS through another great year.

Mr. Ed Jones
Vice Principal

Those who help others achieve are achieving a great thing themselves.

The faculty and staff are what make Cajon operate as smoothly as it does. Both the teachers and other personnel have their distinct purpose, but rely heavily on each other. The faculty could not function properly without people to keep the records and other paperwork in order, and the staff would serve no purpose without the teachers and other faculty members. This team of individuals has made many worthwhile accomplishments and produced many excellent students. As a result of the concentrated efforts of these individuals, Cajon has made a name for itself in many areas. From CIF championships to National Merit finalists to award winning bands, Cajon has had them all! It is because of the overall quality of the faculty and staff that this school has accomplished these things and will continue to achieve even greater things in years to come.

JUNIORS

As man nears the end of one goal, he must begin working towards the next.

JUNIORS!! . . . Class of 1980. With only one more year to go at Cajon, the juniors have already made it through the toughest part of high school. Now their thoughts begin to turn towards their plans after graduation. College-bound juniors begin looking into colleges and their requirements while others decide on trade schools or other job opportunities. Aside from these serious considerations, the juniors look forward to their last year at Cajon. It is they who will hold the ASB offices and they who will be the oldest class at school. These juniors have reached many of their goals, but there remains only one last year in which to achieve those high school goals not already reached.

OPPOSITE PAGE: As the juniors began to contemplate life after high school, they put together a spectacular prom. They were led by the capable Lisa Plawin, vice president; Eric Frazier, president; Melissa Love, secretary; and Sara Lamb, treasurer.

SOPHOMORES

As man reaches the mid-

point of his quest the

end begins to crystalize.

SOPHOMORES!! . . . Class of 1981. The members of the Sophomore Class have now completed half of their high school education. Great is their satisfaction in knowing that they only have two more years until graduation. The sophomores earned the respect of the entire school this year by building a magnificient homecoming float and capturing the first prize in the float competition. Individually, the class members have made many achievements. Not only have they earned numerous academic and athletic awards, but many have now reached that long sought for age at which they can drive. Although these students have already accomplished many things, they will undoubtedly achieve many more commendable goals in their next two years in high school.

OPPOSITE PAGE: The sophomores spent most of this year in a dream-like trance waiting to get their driver's licenses. However with Pam Clark, vice president; John Larrabee, president; Joni Allender, secretary; and David Pavao, treasurer as their leaders, they returned to reality and had a good year.

FRESHMEN

Although the end is vague,
man continues to strive
in order to reach his goal.

FRESHMEN!!. . .The graduating class of 1982. Although it seems like an eternity until graduation, the three remaining years of high school will pass much more quickly than expected. Already the freshmen have survived a full year of high school, and undoubtedly it was not as bad as everyone claimed. Although the studies were perhaps more difficult than in junior high, they experienced the freedom of an open campus and the additional opportunities presented by the music, drama, and sports programs. Many will be the goals achieved in the coming three years in high school which would perhaps not have been accomplished without the numerous special programs offered at Cajon.

OPPOSITE PAGE: Under the leadership of Nanette Williamson, secretary; Jason Lewis, treasurer; Sherron Reed, president; and Jim Madden (not pictured), vice president, the rookie freshmen climbed out of the cellar and entered a new role as high school students.

OPPOSITE PAGE: (upper left) "The essay is due when?" (upper right) You're late for school again, Gina. (center) Which boyfriend are you thinking about this time, Jackie? (lower left) "Who me? talking?" (lower right) Who's the note for, Patty? ABOVE: Freshmen enjoying a gourmet meal from the school cafeteria. (left) "Guess what I have for lunch." Richard ~
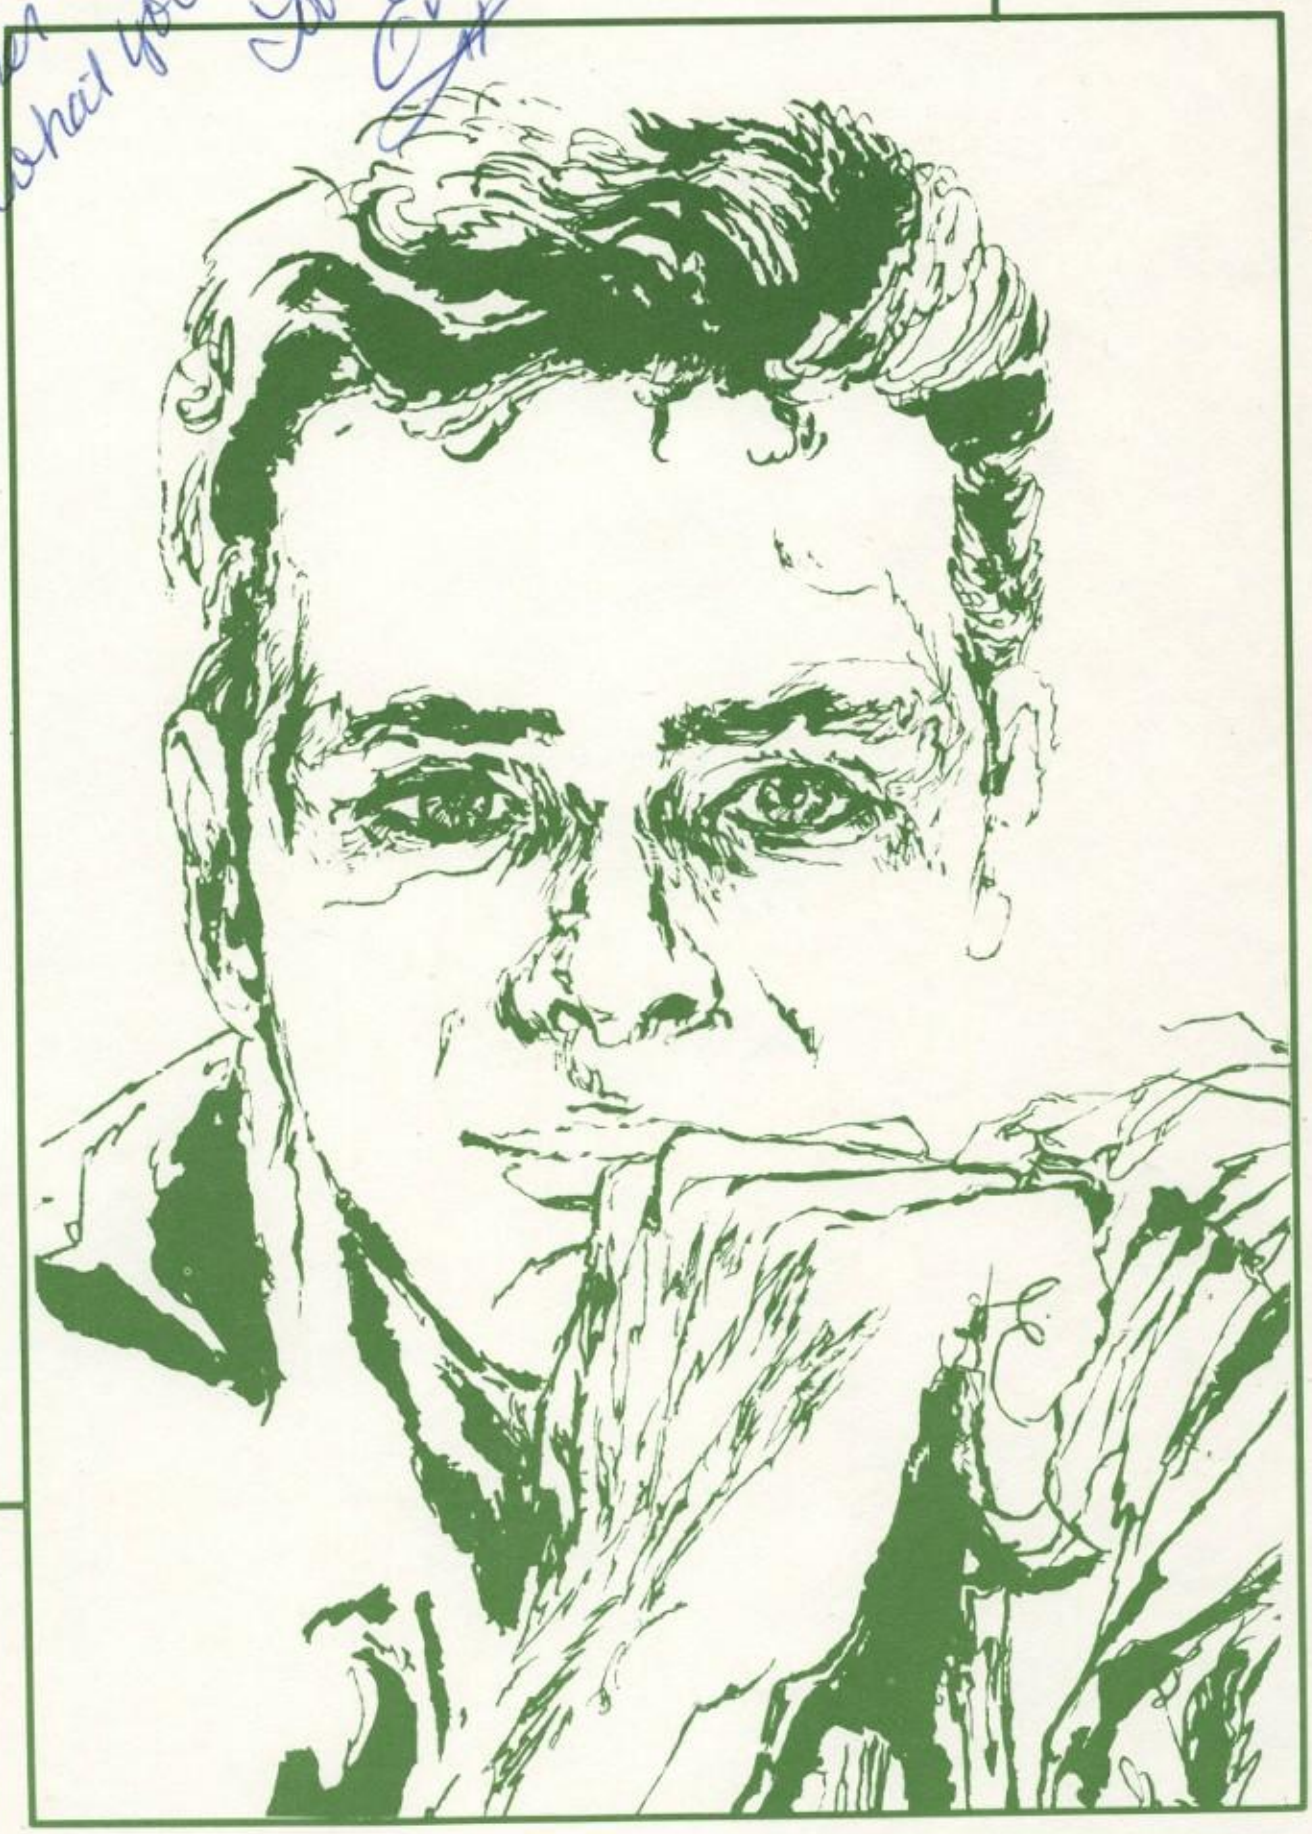
It's been a crack-up knowing
you this year in Atkinson's. I never
found out if you were a Junior or a
Senior, so I don't know if you'll be
coming back to Cajon! Either way, I hope
you have a fun summer, and don't forget
all the laughs we had at the back of the room
in Psychology!

Love-
Mary
Bridewell

Richard,
To a real
crazy guy. Im
sort of glad I met
you. (Not REALLY) I hope
I see you next year and the
next. Take it easy and try
to be good. Love,
Beth

Richard,
Well, its been fun!
Knowing ya (I mean it!)
you're a terrific guy! I hope
you have a terrific summer!
Good luck in the future!
See ya later!
Love
Kelley
Tarrington


Richard,
Its been nice
knowing you in 3rd
period. I hope you have
a great summer and may
the future be what you want.
Love
Eva
